When you lift an Eddy Washtub its lightness will surprise you—yet it is practically indestructible. will find too, that it keeps the water hot longerthat it can't leak or become dented, rusty or odorous. Simply because an Eddy Washtub is a one-piece with a glazed surface that is as hard as flint. It costs less than the old-fashioned, back-breaking kind. It lasts

Menacing Prairie Fire Sweeps Western Grain Fields

REGINA, Sask., Sept. 23.-Starting in a wheat field on farm nine miles west of the town of Rouleau, 25 miles south of here, fire swept a stretch of country 12 miles long by about 31/2 miles in width, destroying many tons of hay, a granary filled with threshed wheat and about 30 acres of wheat in

Quickly fanned from a smoldering smutch to a roaring stubble fire, that burned with the fury of old-time prairie fires, it was not brought under control until late yesterday afternoon, after many hours of hard fighting.

There were no large buildings in the fire area.

HOLD SCHOOL FAIR

loose them the minute Mustapha Pupils of London Township Stage Fine Display of Farm Products.

Special to London Advertiser. ST. JOHNS, Sept. 21.—The second

annual school fair of London Township was held today at St. Johns and was a decided success owing in a great measure to the splendid operation and community spirit that prevailed. Owing to the efforts of W. C. Westlake, president of the school department of the community council, a large number of special The British strength has been plac- prizes were donated, and the residents of the township and village rendered 1.
