ins in Back and Legs  
elieved by Lydia E. Pink-  
am's Vegetable Compound

Ford, Ontario.—"I had a nervous break-down, as it is called, with severe pains in my back and legs, and with fainting spells which left me very weak. I was nervous and could not sleep nor eat as I should and spent much time in bed. I was in this state, more or less, for over two years, before Lydia E. Pinkham's Vegetable Compound was recommended to me by my neighbor. Before I had taken five doses I was sitting up in bed, and when the first bottle was taken I was out of bed and able to walk around the house. During my sickness I had been obliged to get someone to look after my home for me, but thanks to the Vegetable Compound I am now able to look after it myself. I have taken Lydia E. Pinkham's Blood Medicine in turn with the Vegetable Compound, and I certainly recommend these medicines to anyone who is not enjoying good health. I am quite willing for you to use these facts as a testimonial."—Mrs. J. SHEPHERD, 130 Jos. Janine Avenue, Ford, Ontario.

Nervousness, irritability, painful times, run-down feelings and weakness are symptoms to be noted. Women suffering from these troubles, which they so often have, should give Lydia E. Pinkham's Vegetable Compound a fair trial. All druggists sell this medicine.

ham, Ont.—"Dr. Pierce's Favorite Prescription did me a wonder-ful lot of good and to women who go on in health during motherhood would advise its use. I was very sick, especially did I suffer from morning sickness. My stomach was so upset that I could not retain anything. I was afraid to eat. I grew nervous and weak, and my back ached. I just seemed to suffer with the ills that come to prospective mothers. I saw Dr. Pierce's Favorite Prescription advertised and be-lieved it, and this medicine just made me up fine, relieved me of all pain and distress, and I was to be around right up to the time I have the greatest faith in Favorite Prescription."—Mrs. Mar-garet Phipps, 125 Inches Ave. All druggists.

## MORE MEMBERS ASKED BY NORTH

Rural Ridings Pleased That Their Unit of Representa-tion Smaller.

Canadian Press Despatch.

Toronto, March 30.—Northern Ontario is protesting the report that their part of the province is not to be allowed several more members in the next legislature.

"We should have at least three more members," said a Northern Ontario man this morning. He pointed out that because of increased activity in mining that the population of certain mining districts had grown considerably since the last census, and that numerous little agricul-tural districts had also grown up along the transcontinental railway, which added considerably to the vot-ing strength. There has been quite a large increase in the population around the mining districts of Por-taine and through the gold and silver areas.
