## LAST MEETING OF OLD TOWN COUNCIL

Explanations the Order of the  
Day—Councillor Pinault  
Questions Payments

### MAYOR'S VALEDICTORY

The Town Council held their last  
meeting on Tuesday evening in the  
council rooms, His Worship mayor  
McDonald presiding; present coun-  
cillors White, Moores, Miller,  
Mowat, Pinault and Alexander.

Minutes of previous meeting read  
and confirmed.  
Communication read from J. A.  
Benoit, Liquidator of Fraserville  
Navigation Company asking for a  
copy of letter sent to the council  
by Geo. St. Pierre. On motion this  
information was refused.

Petition received from Jos. Gaud-  
reau for license to conduct a shoe-  
making establishment. Referred to  
Police and License committee.

The return of rents paid to F. M.  
Anderson for houses on Matheson's  
Flat was then tabled. This report  
which went back to June 1st, 1911  
occasioned quite a lot of discussion  
and cross questioning. M. A.  
Kelly was heard before the council  
on the matter, and after his explana-  
tions, the matter was referred  
back to the Public Charities com-  
mittee with power to act.

Communication was read from  
John Letourneau enclosing account  
of \$38 for board etc. of his son  
Nelson Letourneau's wife. Referred  
to Police Charities committee.

Councillor Alexander submitted  
a report from the Water and Sewer-  
age committee recommending pay-  
ment of an account for Neil Smith,  
which brought councillor Pinault  
to his feet. According to the  
doctor the Streets committee had  
been charged with lumber account  
for the wharf when the wood was  
at Smiths Lake, and one question  
borrowing another there was a fair  
old time until the Town Engineer  
settled the matter by stating that  
although the lumber was still at  
Smiths Lake he (the engineer) un-  
derstood the Streets committee re-  
quired it for the wharf, but should  
not have charged it to that account  
until accepted. This closed the  
incident and the bill was ordered to  
be paid, this payment to be in full  
of all claims.

The Water and Sewerage com-  
mittee were instructed to refund the  
amount of the lumber to the Public  
Property and Street committee.

Councillor Miller stated that he  
had held up the payment of the  
gravel check, as he considered there  
was some discrepancy and it was  
arranged to pay part on account  
and measure the sand after the frost  
was all away.

Regarding Mrs. London's re-  
quest for help, the matter was left  
in abeyance.

The Building Inspector reported  
that nothing was being done with  
regard to the Sharp building in  
Water Street.

The town treasurer was instruct-  
ed to furnish a return of those whose  
taxes were not paid, and in this con-  
nection councillor Pinault brought  
the matter before the council re-  
garding the charging of interest on  
unpaid taxes.

An account from the Public Char-  
ities committee due Dr. Murray for  
attendance on George Charleston  
was ordered paid.

Messrs. A. M. Henderson, and  
D. F. Graham were appointed re-  
turning officers for the election next  
Tuesday in Wards III and II re-  
spectively.

Councillor White recommended  
the purchase of storage batteries,  
rack, alarm bell and tower for the  
new alarm system. An amendment  
that the tower and bell be omitted

## LITTLE INTEREST IN TOWN ELECTION

Nomination Court Held on  
Tuesday—Four in the Field  
For Ward Two.

### CONTEST IN 2 WARDS

The court for nomination of can-  
didates was held on Tuesday at the  
Town Council Chambers.

Mayor McDonald, deciding not  
to run again. F. M. Murray was  
elected mayor by acclamation.  
Councillor Lunan and Pinault for  
Ward One and Alexander and  
Miller in the town were also elected  
without opposition. In Ward Two  
S. M. Moores is not standing again,  
and a lively contest is expected here,  
Max. Mowat, D. A. Stewart, A.  
C. Bellisle and S. Laughlan are all  
in the field, and a big choice open  
to the electors. In Ward Three J.  
K. McKenzie retires and councillor  
John White, Chas. A. Goss and  
Thos. Ellsworth are before the  
electorate.

Polling will take place next Tues-  
day, for Ward Three at Ed. Sulli-  
van's building Water Street, and for  
Ward Two at the council chambers  
King Street.

## MR. A. B. MORINE'S RESIGNATION SENT TO GOVERNMENT

Chairman of Public Service  
Board Says Its Work Must  
Not Be Hampered.

It is understood that Mr. A. B.  
Morine, chairman of the Public Ser-  
vice Commission, has resigned, and  
that the Government has decided to  
accept his resignation. This action  
is the result of the charges made by  
Mr. F. B. Carvell, at the instance of  
Sir Wilfrid Laurier, in the House of  
Commons.

Mr. Morine's position is that the  
charges are groundless, and are the  
means taken by partisans, alarmed  
at the prospects of exposures through  
the work of the commissions to dis-  
credit its findings. He has taken  
the ground, however, that the work  
of the Commission should not be  
hampered, or the results of its in-  
vestigation be exposed to challenge,  
as a result of allegations against its  
personnel. Accordingly, he has  
placed personal consideration in the  
background and has offered to retire.

In this view, the Government has  
concurred, and the work of reorgan-  
izing the Commission will be taken  
up without delay. At the same time,  
the Government has not yet accept-  
ed Mr. Morine's resignation, and he  
will not retire immediately. No,  
and it is not likely he will resign at  
all. There are always many ways of  
whitewashing political schemers lest  
the mere fact of turning them down  
might lead to washing some dirty  
linen in public.

was carried by the casting vote of  
the chairman.

In reply to Jos. Sharp's request  
for an electric meter it was stated  
that no meters were now being  
placed in shacks or temporary build-  
ings.

Councillor Mowat stated the re-  
port of the Electric Light commit-  
tee would be ready in a day or two.

Before the close of the meeting  
His Worship thanked the councillors  
for their support and kindness dur-  
ing his term of office and said he  
felt proud to have had the honor of  
sitting at the head of such a fine  
body of men as the councillors  
were. This would be the last meet-  
ing he would preside over and in  
thanking them would say "Good-  
bye", and hope that the affair of the  
town would always remain in such  
able hands.  
Council then adjourned.

## OPERATIONS OF THE CONNELLYS IN QUEBEC

Run Fake Advertising Scheme  
In W. C. T. C. Association  
Victimised.

### A PAIR OF SWINDLERS

A few days ago it was stated that  
inquiries were being made in Mon-  
cton by the officers of the W. C. T. U.  
in Quebec concerning the Connelys  
who conducted an advertising  
scheme in Moncton a year and a half  
ago. Very recently local officers of  
the W. C. T. U. have been advised  
of the operations of the Connelys in  
Quebec city.

"A pair of swindlers," is the way  
the president of the Quebec W. C.  
T. U. describes the Connelys and  
she goes on to say that they are  
evidently the same people who were  
in Moncton. The W. C. T. U. presi-  
dent says the local union is in trouble  
over the Connelys. She says that  
money was taken from people whose  
advertisements never appeared in  
the booklet issued by the parties in  
question. "We have been victimized  
and discredited," writes the  
Quebec W. C. T. U. president. The  
printer who did the work, the letter  
states, held the Connelys up at the  
train and got his money and is now  
holding the booklets at the publish-  
ers' order. The communication  
further states that 25 copies of the  
booklet were taken away, it is sup-  
posed, to try and victimize other W.  
C. T. unions. The letter adds a  
postscript that the parties carried a  
pet dog, wearing a red coat.

It will be remembered that a com-  
plaint was laid against Mrs. Connely  
in Moncton, charging her with ob-  
taining money under false pretences.  
The woman was sent up for trial,  
but the grand jury found no bill in  
the case.

There was an advertising card or  
shopping list gotten up here by a  
lady and gentleman supposedly for  
the benefit of the Methodist Church  
Young Ladies Society, very shortly  
since, and it appears to be the work  
of the same people.

## LETTERS TO THE EDITOR

Dear Graphic,

Now that the nominations for  
civic honors are over, we hear  
many expressions of regret, that  
every seat in the gift of the town  
is not contested. If they were, the  
ratepayers would become better  
acquainted with the last years  
board, and perhaps we could get  
them to explain why they did not  
carry out the by-law relating to the  
removal of shacks from Water St.  
The up town candy man bluffed  
the whole board, and they are ap-  
parently quite indifferent as to the  
effect on others who have shacks to  
remove. The citizen that wont  
obey the laws is not loyal to his  
town and cares not for its welfare,  
but every community has a few of  
such dwellers. Enforce the law,  
and if the laws are not good, find  
it out and make it good.

shown. Mr. Taylor one of the finest  
lecturers this side of the water will ex-

nights to see Dante's inferno and every  
town or city in which they have appeared  
the people cannot say enough in favor  
of those pictures. Manager Dimock has  
had a great number of letters from differ-  
ent managers advising him not to miss  
booking this attraction. The perform-  
ance will start at 8.15 and will last for  
2 1/2 hours.

## ICE RACING ON WEDNESDAY

Good Sport in the Races Out-  
siders Gave Surprising

### SPLENDID WEATHER

In glorious weather and before a  
great number of spectators the horse  
races which were held on April  
10th were a decided success. The  
Bathurst people being well satisfied  
with the management and condition  
of the track.

The Free for all race was won  
easily by the same little mare Ada  
Mae, taking three straight heats,  
followed by Abbot W. who took  
second money in three straight  
heats.

Claudia Hal, doing very well for  
the shape she was in.  
The 2.30 was a big surprise for  
all spectators when Mary D. a  
green mare without any training,  
whatever, took first money from  
two track horses.

The owners of these horses were  
badly shaken up when the green  
mare came in an easy winner.  
Now comes the three minute  
class, which proved an exciting  
race from start to finish, greatly sur-  
prising owners of fast stock in the  
race, quite a few of our would  
be sports quitting at the eleventh  
hour.

When the race was called on we  
had only three entries and to help  
to make the sport interesting two  
old sports who had no intention of  
speeding their horses, gladly came  
in to fill up the gap, surprising the  
fast horses entered. One taking  
three straight heats and the other  
doing very well for being driven in  
a heavy cutter.

The conservatives of the county

derstood that the choice of three  
candidates was before the delegates  
viz., Messrs D. A. Stewart, F. E.  
Blackhall and D. E. Richards to  
run with Arthur Culligan.  
D. A. Stewart was the unanimous  
choice of the delegates and he has
