Each person competing must send One Dollar with their answers, for one year's subscription to the Ladies' Journal. Has been greatly enlarged and improved and is in every way equal at this price to any of the publications issued for ladies on this continent. You, therefore, pay nothing at all for the privilege of competing for these prizes. You will find the Journal well worth the money leaving the rewards out of the question entirely. The Bible study necessary to find the answers to the questions will not harm you and may benefit you not a little.

The distribution will be in the hands of disinerested parties and the prizes given strictly in the order letters arrive at the LADIES' JOURNAL office. Over 255,000 persons have received rewards in previous competitions. Address, Editor LADIES' JOURNAL
