THE MITCHELL TRIAL.

The last act in the tragedy, by which to a close. Mitchell has received a fair trial, occupying from Wednesday morn ing until nearly six on Thursday afternoon last, before an impartial Judge and Jury, and it has re-Judge and Jury, and it has resulted in his being sentenced sulted in his being sentenced sulted in his being sentenced sentenced sulted in his being sentenced sentenc principal witnesses, Messrs. Clarke and Greenland, were on the ground with the unfortunate deceased mainly for the purpose of picking a quarrel with the blacks: making the most out think our correspondent's arguments.

whose and thus beat the world.

— We call the attention of our readers to the article in another column on the manner in which the amber sugar cane exhibit was slighted by the Provincial Exhibition Committee. We with the blacks: making the most out think our correspondent's arguments. with the unfortunate deceased mainly for the purpose of picking a quarrel with the slacks; making the most out of several statements of Clarke's, and then went no to say that he (counsel).

— Yesterday was an important day on sidered that the blacks had been to a certain extent imposed on; that the two bogs had no right to take the law Virginia. The two first are doubtful to their own hands; and that the fatal stab was inflicted through the impulse of terror and in the confusion caused by an attack in the rear, which he endeavoured to make appear had been made. (Here was one palpably weak point in the speech as there had been no evidence what were bring more as the stable of the point in the speech as there had been no evidence whether the defense he had been no evidence whether the defense he had to work upon. His speech is concise and elear, and his angent dear statement of the facts that they considering the slim amount of evidence for the defense he had to work upon. His speech is concise and elear, and his gent dear of the count of the concept of the Coverna and proceeded to lay before the jury in the most lucid manner a dear statement of the facts of the covernal than the confusion can appear that the sent than the confusion caused by an attack in the rear, which he endeavoured to make appear had been made. (Here was one palpably weak point in the speech as there had been no evidence whether the defense he had to work upon. His speech is concise and elear, and his against the same time the following stock:

— As the confusion caused by a stable was indicated through the bear in the rear, which he endeavoured to make appear had been in adapting and the control of the stable and the point in the speech as there had been no evidence where the stable and the

the case for the Crown and proceeded to lay before the jury in the most lucid manner a clear statement of the facts of the case. The Attorney General's speech was most easy and graceful, and the essence of logic, entirely free from any animus against the prisoner and his companions, stating that they had equal right with ourselves, and that he would be the last man to urge anything to the contrary. The crowd in the court room listened with rapt attention to the learned gentleman's rounded periods, and every word that fell from his lips as he reviewed the case perceptibly lessened the prisoner's chances of any commutation of the death penalty. The Attorney General first showed the destinction as held by the law between manslaughter and murder; citing several cases parallel to the one in question; then reviewed the case referred to conveys the manner of paintings of painting the law between manslaughter and murder; citing several cases parallel to the one in question; then reviewed the case referred to conveys the missing several case in the death penalty. The part of the case referred to conveys the immembers of Parliament and fifty Catholic grants are mit during the last few years. The state were present, Parnell announced that as soon as sufficient information could be collected the Land League would organize a great strike against paying rent on the estate of every rack renting land-off, that as soon as sufficient information could be collected the Land League would organize a great strike against paying rent on the estate of every rack renting land-off the Canada Temperane Act. The status soon as sufficient information could be collected the Land League would organize a great strike against paying rent on the estate of every rack renting land-off the Canada Temperane Act. The status soon as sufficient information could be collected the Land League would organize a great strike against paying rent on the estate of every rack renting on the veries as escond time whealth and for a moment threatened to destroy t the principal evidence, adducing therefrom that whatever row had taken place was not participated in by the prisoner; that he had come to the scene armed, and evidently prepared from the procession that the minister was "unable to stand, or that he needed a curate to read the formulas for him," is an idea so very profound that it could have originated only in a capacious brain.

—A correspondent under date of the standard tonic—Northrop & Lyman's Quinine Wine They will find it agreeable and beneficial. It enriches the blood they are the following. for murderous work; (here the learned lith inst., sends us the following:—
