From Ross & Co. Handwritten, Rev. of  
"I have been afflicted with neuralgia running  
down my spine for twenty-five years. I have  
consulted the best of the best doctors and  
nothing has done me any good, and I was  
unable to walk. Last year my legs became so  
weak after an attack of grippe that I never  
before the first week of the year. I was  
convinced to try Dook Blood Purifier, and  
after the first bottle was half gone I felt a  
great change, and after the second bottle  
I was able to walk. I have since used  
three bottles more and am now as well as  
I have been for many years. I would  
highly recommend Dr. Norton's Dook Blood  
Purifier to all afflicted with sore of any kind."

June.  
A deary kiss of fragrant lips

Upon the lily's breast of snow

With earth and sky and this is June.

The brightest hope of life from me hath  
Down  
With her whom loving life to me once  
Saves  
The living greetings gone, which love had  
To sunshine kisses meeting at the nave.
