MRS. CUMMINGS and Miss Paterson have had a most successful tour, visiting the Indian mission stations of the Northwest and British Columbia. We hope to give some account of their journey and discoveries before long. One result of their visit has been that an effort is to be made at once to establish branches of the Woman's Auxiliary in British Columbia.

We have had during the present summer a visit from Rev. J. Hines, who for many years has been a missionary in the Northwest. He says that though many things have been published regarding the work of the Methodists among the Indians, the fact is that the bulk of the real work is being done by the Church of England. In all the vast territory embraced by the Dioceses of Mackenzie River, Athabasca, Moosonee and Saskatchewan, the Methodists have not a single station, and the Presbyterians have but one. It is true this is but work among the Indians, but it is God's work nevertheless, and we may be thankful that, largely due to the Church Missionary Society of England, our beloved Church is foremost in prosecuting it.

THE result of the conference lately held in Winnipeg among representative men from nearly all the dioceses of the Dominion will no doubt be that a General Synod for the Church in British North America will be established, retaining however the present Provincial and Diocesan Synod system. Though many would like to see less legislation in the Church, and think that we could very well do without the Provincial and considerably modify even the Diocesan Synods, still the almost certain prospect that Churchmen from the Atlantic to the Pacific will ere long meet together in the interests of our grand old Church, must be a subject of much congratulation and joy. No doubt the scope and bounds of the Domestic and Foreign Missionary Society will then be enlarged to embrace all the dioceses of the Dominion,—a consummation most devoutly to be wished.

In Tampa, Florida, there is a colony of 4,000 Cubans, among whom no word of the Gospel is spoken in their own language. Very few of them speak English.

THE China Inland Mission has established in China sixteen opium refuges, three hospitals and five dispensaries. Their churches number sixty-six and chapels 110.
