PUPILS' LOCALS.

From the Girls' Side of the Institution.

BY LILLY ROBINSON

On All Fool's Day many of the pupils got fooled Some of the teachers were fooled too.

Felicia Howitt was made happy lately Her aunt and mother came to see her They did not stay long

Maggie Borthwick was pleased to get a box on her birthday from home She gets quite a lot of boxes

E Chauvin's mouth is very sore now All of her teeth have been aching. We hope she will soon be all right.

The girls don't expect to have very nice times Saturday evenings, because they will have to swing clubs then

The little girls spend their pocket money on maple-sugar now They say they are tired of taffy and such stuff

All the girls are glad because the ice is breaking up They are sure that when the ice is gone it will look like summer

Miss A Mathison our former articulation teacher went to Brantford to attend the wedding of an old friend Miss Smith

The girls have brought out their skipping ropes at last They are having fine times with them during the play hours.

Little Florence Hill's sister Emma came over from Napanee on the first of April and spent the afternoon with her Florence was glad to see her

The weather lately has been so fine, that the girls have cast aside their lazy habits, and early every morning they take five or six turns up and down the sidewalk

Mr Mathason gave Maggie Robinson permission to go home last week to stay over Sunday She only returned a few weeks ago, having been absent since Christmas

Lately Aggie McFarland was fooled by the girls They packed a box full of paper and said there was a box for her But when she opened it she was disappointed

Eva and Ethel Irvine received from their brother, who lives in Vancouver B C $5 and a cabinet photo of himself They are feeling proud as everyone admires the photo

The double windows have been taken down, and the rooms will be cooler now

One Saturday while Donella Beatty was down town, she met her parents They do not live very far from the city She was glad to see them. They gave her a basket of "goodies."

Some time ago Heppy Hoggard got a letter from Lillah Pettypiece, who is at school in Winnipeg She says she will send her a tin-type soon. We wonder if Lillah has changed much.

While Flora McMillan was sitting down, Minnie Hayward tied her to the chair by the strings of her apron. When she got up and was about to chase a girl, she dragged the chair along with her

On April Fool's day, Maggie Watt was handed a letter It was from Eliza McIntyre She opened the letter and was very much disappointed to find in it only a blank sheet of paper. Poor Maggie, wasn't she disgusted!

The other night during the study hour Minnie Hayward was leaning back in her chair It tipped over, and she hit her head on a pillar but she was not hurt Her fall caused much merriment among the girls.

One night lately during the study hour the girls saw a moth flying around the gas. They were frightened, and nearly all the girls in Mr. Deny's class screamed and would not sit down. At last M Nahrgang killed it. The girls were silly

PUPILS' LOCALS.

From the Boys' Side of the Institution.

BY GEORGE REEVES.

The boys started playing foot-ball on the 28th ult

A number of the boys got fooled on the 1st inst

The bay is open now and the boats are running

Willie Melvin started to work in the printing office on the 29th ult as "Printer's devil

Some of the boys who belong to the English Church went to service in the city on the 2nd inst

Jonathan Henderson got a letter from his brother saying that his uncle Thomas Dawson died on the 30th ult.

Nearly every morning the boys who sleep in the "woodhall" get up early and play foot ball Some take a walk.

Last week the boys were playing running hop-step and jump. James Chantler made the longest jump, measuring 39 feet 4 inches

The time passes so quickly, we will have to study hard as it is nearly time for us to have the examination. We hope some of us will pass a good one.

A number of notices "Please keep off the grass" have been posted on the grounds in front of the Institution. The pupils should all obey the notice.

Duncan Bloom, who got a scalp wound has recovered sufficiently to attend school He has not started to work in the shoe shop yet, but we think he will shortly

We are sorry to say that Alexander Labelle could not come here on a visit He is a subscriber to the CANADIAN MUTE now He lives at Ford River, Delta Co Michigan.

Alge Perry, a small boy while looking out of a window was pushed by another boy and he fell to the ground. He was not much hurt It was about 12 feet from the window to the ground.

One of the teachers asked his class the meaning of 'perspiration,' and of 'farming' One of the pupils said the meaning of 'farming' was. "the process of throwing off the extra heat of the blood through the pores of the skin." Not a bad mistake, after all

A boy got a letter from George Stewart saying that he saw John King, a former pupil here, who is a farm laborer and gets good wages. George said that he remembered Mr Mathison as being a good Superintendent, while he was at school George and John live at Oshawa

Robert Joice, a pupil, got a letter from his father saying that he will have a long ride on the cars going to Red Deer Alberta Perhaps he will not come back to school here as it is too far. We think he will go to the Winnipeg School for the Deaf, and we hope he will get along well in the new school if he goes there
