JUST PUBLISHED

THE DREAD VOYAGE. POEMS.

By William Wilfrid Campbell.
Author of "Lake Lyrics," etc.

Cloth, 190 pages, - - - \$1.00

The name of William Wilfrid Campbell is one that needs no introduction to the Canadian public. The work he has done in his previously published book of verse, "Lake Lyrics," and in the poems which have appeared from time to time in the magazines, marks him as one of the brightest of the younger Anglo-Saxon poets. His poem, "The Mother" (included in the present volume), when it was published in Harper's Magazine last year, attracted perhaps more attention than any single poem written by an American ever received. The editors of the American magazines, and some of the daily newspapers, wrote editorials devoted to its merit, and the London Athenaeum, the great English literary authority, gave a long article on it. This new volume contains the best work Mr. Campbell has yet done. A large number of the poems in it have not before appeared in print. We present this book to the Canadian public, confident that its merits will insure for it a large sale.
