Electric Light Scarf Pin. BICYCLE AND CARRIAGE ELECTRIC LIGHT.

The Most Astonishing Novelties Ever Produced.

The Greatest of Holiday Presents.

Any party investing in an Electric Light Scarf Pin will find themselves amply rewarded by the abundant supply of amusement and merriment furnished by this brilliant little novelty.

A small electric lamp is mounted in a scarf pin, which can be worn in the scarf or in any other desired manner.

The lamp has silk covered conducting wires and German silver interrupter. The current is furnished by a battery which can be placed conveniently into any pocket.

No electric shocks can be felt from the battery under any circumstances.

The lamp will give a sudden brilliant light as soon as the interrupter is pressed, which will always succeed to excite general admiration.

Price of complete outfit.....\$1.50

The Bicycle or Carriage light is also useful for stable, barn, carriage house, piazza, outside and inside of Doctors offices, stores, dwellings, churches, etc. The light being double the efficiency of ordinary incandescent lamps. No smoke, smell or danger. A bright, safe, modern clean, novel, scientific light. The accompanying instructions are so plain that any person can intelligently follow them. Price only \$4.
