and other stationery permit the dealer to build up business on goods he controls, with no fear of price cutting by competitors

We make a specialty of supplying these goods and have recently added to our range of Tablet Covers, four attractive designs lithographed in Gold and six colors; these are to be used only on special Tablets with dealers' own titles.

Send us a sample of the papers you wish; the number of sheets wanted in each Tablet with the retail price, and we will send you samples and prices.

NOTE—On our regular lines of Tablets we give your imprint free on an order for 200 assorted.
