

THIS illustration represents in miniature the new FLY PAD show bill just issued by the manufacturers, Messrs. Archdale Wilson & Co., Hamilton.

It is a very handsome bill, lithographed in three colors, size about 2.4x18 inches, and illustrates in a very striking and humorous way the advantages of FLY PADS and the disadvantages of Sticky Papers.

The ladies whose drawing room carpets have been ruined, the gentlemen whose summer suits have been rendered useless, and the cats that have been driven to temporary madness by contact with Sticky Paper are not few.

Two FLY PAD show bills will be mailed free to all druggists applying for them by postal card.

We are taking the necessary legal steps to prevent infringements of our FLY PAD trade mark and imitations of our goods.
