MR. ARMSTRONG still goes on achieving newer and higher laurels for his vital magnetic treatment in eradicating chronic diseases. The following letter from Mr. W. W. Principal of the Shortham University and Business College, corner King and Church streets, is only one out of many, and an ordinary sample of recent cures. Toronto, June 7, 1889.— This is to certify that, having suffered for years with chronic dyspepsia, rheumatism, sciatica in the right leg and kidney complaint, and having tried several eminent physicians who failed in curing me, I tried Armstrong's Vital Magnetic treatment and after seven treatments I am restored to my former health, and no doubt many years have been added to my life. I shall with pleasure give any information to enquirers concerning my case. Jas. F. Wells, Principal, Shortham University and Business College, corner King and Church streets, Toronto.
