What the World Has Been Want ing for Centuries.

The greatest discovery of our day, so far as a large portion of humanity is concerned, is CAR BuliNE, an article prepared from petroleum and which effects a complete and radical cur in cases of baidness, or where the hair, owing to diseases of the scalp, has become thin and tend to fail out. It is also a speedy restorative, and while its use secures a luxuriant growth of hair it also brings back the natural color and gives the most complete satisfaction in the using The falling out of the hair, the accumulations of dandruif, and the premature change of color, are all evidences of a diseased condition of the scalp and the glands which nourish the hair. To arrest these causes the article used must possess medical as well as chemical virtues, and the change must begin under the scalp to be of permanent and lasting benefit. Such an article is CARBOLINE, and, ilke many other wonderful discoveries, it is found to consist of Jements almost in their natural state. Petroleum oil is the article which is made to work such extraordinary results, but it is after i has been chemically treated and completely dedorized that it is in proper condition for the toilet. It was in far-of Rusria that the effect of petroleum upon the hair was first observed, a government officer baving noticed that a partially bald-headed servant of his, when trimming the lamps, had a habit of wiping his oil-beameared hands in his scanty locks, any the result was in a few months a much finer head of black, glossy hair than he ever had before. The oil was tried on horses and cattle that had lost their hair from the cattle plague, and the result were as rapid as they were marvelous. The manes and even the taits of horses, which had fallen out, were completely restored in a few weeks. These experiments were heralded to interval were as rapid as they were marvelous. CWAS. LANGLEY & Co., San Francisco

DEAR SIK-I take great pleasure in informing
you of the most gratifying results of the use of

CARBOLINE in my own case. For three years
thet op of my head has been completely hald
and smooth, and I had quite given up any hope
of restoring the hair. Four weeks ago I notice d
the advertisement of CARBOLINE, and on the
recommendation of a friend, I concluded to try
a bottle without any great hopes of good results;
however, I have now used it less than a month
and, to my most agreeable astonishment, my
head is completely covered with a fine, short,
healthy growth of hair, which has every ap
pearance of continued growth; and I confidently
believe It will restore it as completely as ever it
was in my youth.

I take great pleasure in offering you this testimonial, and you have my permission to publish the same. Yourstraly, CHAS. E. WHITE, Davisville, Cal.

JOSEPH E. POND. Jr. Attorney at Law,
North Attleboro', Mass., says: For more than
twenty years a portion of my head has been as
smooth and free from hair as a billiard ball, but
some eint weeks ago I was induced to try your
CARBO. INE, and the effects have been simply
wonderful. Where no hair has been seen for
years, there now appears a thick growth. It is
growing now nearly as rapidly as hair does after
it is cut. You may use the above testimonial if
you choose, and may refer to me for its truth.
MR. W. S. Gold. D. No. 70 River avenue, Allesheny City, Pa., writes to us that he had his head
badly scalded by hot water, and that CARBOLINE not only cured his head but caused his
hair to grow luxurlantly.
ALFRED PHILLIPS, Druggist, Gloversville,

LINE not only cured his head but caused his hair to grow luxuriantly.

ALFRED PHILLIPS, Druggist. Gloversville, N. Y., says: My wife has ried CARBOLINE, and she has now a coating of hair over the top of her head an inch long where her head has been entirely.BALD for years.

Dengola, Ill., March 19, 1879.

Sies,—By the persuasion of a friend I began to use CARBOLINE on my head last September, which had been bald for twenty years, and now I have a nice growth of hair on my head that surprises everybody that has observed the fact.

A. G. WILLIAMS, M. D.

THOMAS LAWRENCE, M. D. Mill Creek Ill., says: I can cheerfully recommend CARBOLINE as a remedy for Baldness. I was entirely bald, and procured one bottle of CARBOLINE, and now have a fine suit of hair growing where there-was no appearance before I began using CARBOLINE.

I certify to the above, besides selling Dr. Lewrence the CARBOLINE.
