

ÆTNA Life Insurance Company OF HARTFORD.

This Company did a larger amount of business in Canada in the year 1872 than any other Company reporting to the Dominion Government. See Government Returns.

Its Policies are all strictly non-forfeitable

thus doing justice to all, and compelling none to forfeit their payments through inability to continue paying.

It furnishes Insurance on all just and equitable Plans.

Its Mutual Rates average lower than any purely Mutual Company.

Its Stock Rates average lower than any purely Stock Company, besides guaranteeing the amount of paid-up Policy which will be given on account of surrender of Stock Policies—done by no other Company in Canada. Its ten year term plan is peculiar to itself, allowing the insured to withdraw the whole of the reserve on account of his policy when he attains the age of seventy, if he desires to do so.

Its ratio of expense to income is far below the average. It is prompt in payment of claims, careful in the selection of risks, and guards with the utmost jealousy the interests of its Policy-holders generally.

It is believed no Company doing business in the country has higher claims upon the public.

This Company is organized for the express purpose of insuring Farm Property and Private Residences, and it is the determination of its Directors to confine its operations strictly to this class of business, thus avoiding heavy losses from sweeping fires and hazardous risks.

An arrangement has been completed by which this Company has the benefit of the renewals and business here of the Agricultural of Watertown, N.Y., which at once places the Company in possession of a large and profitable business.

The Stockholders, at the general meeting, held at the Company's office yesterday, having decided to increase the Capital Stock to \$1,000,000, the Stock Books will be open at the office of the Company for the next sixty days (unless sooner closed by the Executive Committee) for the subscription of the increase of Capital Stock. Capitalists and others desiring a safe and remunerative investment are respectfully invited to call at the Company's Office and enquire into the advantages offered. March 13th, 1874.

New Business in Canada for the year 1873, over \$3,000,000.

The Equitable has decided to keep the Re-Insurance Fund deposited with the Government of Canada sufficient to re-insure all Canadian Risks at the New York State valuation of 44 per cent., American experience, thereby making the Society actually

A "HOME COMPANY" IN CANADA,

and doing away with all questions that have been or might be raised respecting security in case of War, as regards the Equitable.

There has recently been made a valuation of the Policies in force in Canada, and the Society are now in correspondence with the Dominion Government respecting a further deposit, and an additional deposit of Two Hundred Thousand Dollars will be made as soon as the arrangements to do so can be completed.

Policies on all approved plans are issued by the Society, including the "Tontine Savings Fund" plan, which is a first class investment as well as Life Assurance, being an ENDOWMENT AT ORDINARY LIFE RATES.

The New Business of the Equitable for the past five years has been by many millions the largest of any Company in the world, old or young.

Equitable Policy-holders and their representatives received from the Society in the year 1873 nearly FIVE MILLIONS DOLLARS, in Death Claims, Matured Endowments and Dividends.

Persons contemplating taking out Insurance would do well to examine the plans of the Equitable before insuring their lives.
