NESTLE'S MILK FOOD
 Is the most valuable substitute for the mother's
 milk known to the world.
 In the fever-stricken South it is sustaining infant life
 in the cities in a marvellous manner.
 In these election times it is giving "PROTECTION"
 to the class that most needs it, viz., the infants.
 Every mother should protect her infant from impure
 mixtures and from adulterated milk by using
NESTLE'S MILK FOOD.
THOS. LEEMING & CO.,
