

SATISFACTION

Everybody who has tried our Ice Cream pronounces it delicious. We don't much wonder at that, for it is manufactured from our Pasteurized Cream, the flavor of which is admittedly superior to ordinary cream. We have supplied several social gatherings already this spring and the parties interested express their entire satisfaction. We are prepared to deliver it, in good condition for serving, up till 1 o'clock at night. Keep a look out for our delivery teams after the first of May; they will always have it **put up in 10, 20 and 40 cent packages.**

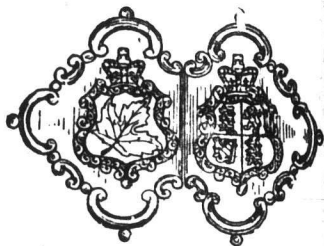

Special prices to Picnic Parties and Church Socials.
