

(2) Article IIB. is amended as follows:

1. In lieu of subparagraph (1), substitute the following:

“(1) Information on the development, design, construction, operation and use of research, production, experimental power, demonstration power, and power reactors, except as provided in paragraph A and sub-paragraph (2) of this paragraph.”

(3) Subparagraph (2) of Article II B is hereby deleted.

(4) Amend subparagraph (3) of Article II B by deleting the number (3) substituting therefor the number (2).

(5) The following new Article shall be inserted after Article II:

“ARTICLE II BIS

“Exchange of Information on Reactors of Primarily Military Significance

“A. At such time as any one of the types of reactors referred to in Article IIA (3) warrants application to civil uses, Restricted Data on that type shall be exchanged as may be agreed, subject to the other provisions of Article IIA.

“B. In the meantime, and subject to the provisions of Article IIA, classified and unclassified information on the development, design, construction, operation and use of military package power reactors and reactors for the propulsion of naval vessels, aircraft, or land vehicles, for military purposes, shall be exchanged to the extent and by such means as may be agreed. Each Party will use its best efforts to insure that any classified information received from the other Party pursuant to this paragraph will be used only in connection with reactors intended for military use, until such time as it has been agreed under Article II bis A to exchange Restricted Data on the type of reactor to which such classified information pertains or such information has been removed from the category of classified information by the Party from which it has been received.”

ARTICLE 2

Article XIII is amended by deleting therefrom all references to Article IIB (2).

ARTICLE 3

The following new Article shall be inserted after Article XIII of the Agreement for Cooperation:

“ARTICLE XIII BIS

“Responsibility for Use of Information, Material, Equipment and Devices

“The application or use of any information (including design drawings and specifications), material, equipment or device, exchanged or transferred between the Parties under this Agreement shall be the responsibility of the
