

facilitate wherever possible, full access to organizations which are outside the system of higher educational establishments.

2. Both sides agreed to encourage and facilitate touristic travel within their borders of exchangees under the present programme (including annexes B and C) by the granting of discount fares normally available to their own nationals.

3. The financial and administrative provisions for exchanges as per paragraphs A-1, B-1 and B-2 are shown in Annex A.

II

EXCHANGES IN THE FIELD OF ARCTIC SCIENCES

1. Both sides agreed to continue with a programme of exchange as agreed to under the Protocol of Canadian Soviet Consultations on the Development of a Programme of Scientific and Technical Cooperation in the Arctic and the North which was signed in Moscow on April 16, 1984.

2. The Canadian side informed the Soviet side of the continued interest of the province of Quebec in cooperating with the RSFSR in the field of Arctic sciences and northern development.
