

Ordered,—That there be laid before this House a copy of the research consultant's report undertaken for the Department of Regional Economic Expansion in the fiscal year 1967-68, as mentioned in answer to Question Number 1,323 of the past Session excluding confidential references to individuals or individual firms.—(*Notice of Motion for the Production of Papers No. 380—Mr. Skoberg*).

Notice of Motion for the Production of Papers No. 410, as follows:

That an Order of the House do issue for a copy of all correspondence, memoranda, etc., between the Government of Canada and industry in Canada since January 1, 1970, regarding regulations on the ownership and control of the uranium industry in Canada,

having been called was, at the request of the honourable Member for Waterloo (Mr. Saltsman), transferred by the Clerk to the Order of "Notices of Motions (Papers)" pursuant to Standing Order 48(1).

Ordered,—That there be laid before this House a copy of the report of the Canada Land Inventory (ARDA) Survey of the Elk Valley region of British Columbia completed in August, 1969.—(*Notice of Motion for the Production of Papers No. 461—Mr. Rose*).

Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources, as reported (with amendments) from the Standing Committee on National Resources and Public Works, was again considered at the report stage.

Mr. Harding, seconded by Mr. Knowles (Winnipeg North Centre), moved,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by adding thereto, immediately following clause 31 on page 26, the following section:

"32. If any six persons make a complaint to the Minister of an offence under this act, the Minister shall investigate the complaint and make public his findings, and if there is prima facie evidence of an offence under this Act, the Minister shall institute court action."

and by renumbering subsequent clauses accordingly.

After debate thereon, the question being put on the said motion, it was negatived, on division.

Mr. Chrétien for Mr. Greene, seconded by Mr. Côté (Longueuil) moved,—That Bill C-144, An Act to provide for the management of the water resources of Canada including research and the planning and implementation of programs relating to the conservation, development and utilization of water resources be amended by (a) substituting for the reference to section 34 in line 1 on page 28 a reference to section 37, and (b) by striking out lines 6 and 7 on page 28 and substituting the following therefor:

"corporating the agency or in respect of its operating expenses or make loans to any agency in respect of capital costs incurred by it; and".
