

The Minister without Portfolio (Mr. Turner) referred to a judgment given by Mr. Speaker Michener, and which makes sense, but perhaps not in the same way as it was referred to by the Minister. I would like to quote a different part of that judgment which was reported in the *Journals* of January 23, 1958, at page 366: "If the principle of the bill is opposed, and some other proper disposition of the bill is moved by way of amendment, then that is in order. But this amendment—" The Speaker was referring to an amendment moved at that time which, in my view, was very similar to the one we now have under consideration. "—does not seek to dispose of the bill at all. It simply calls upon the House to start, *de novo*, with some other proceedings, presumably to consider bringing in another bill . . . Hence in my view the amendment is not in order as it stands."

In view of these arguments I have no alternative except, with great regret, to refuse the amendment moved by the honourable Member for Winnipeg North Centre, and to say that on procedural grounds it is out of order.
