The Standing Committee on Industry, Research and Energy Development met this day at 11.08 o'clock a.m., the Chairman Mr. Cashin presiding.

Members present: Messrs. Andras, Bower, Cashin, Davis, Fulton, Hopkins, Laffamme, Latulippe, Legault, McCutcheon, O'Keefe, Peters, Reid, Saltsman, Scott (*Victoria (Ont.)*), Wahn (16).

Also present: Messrs. Aiken and Haidasz, M.P.s.

In attendance: From the Department of Mines and Technical Surveys: Dr. J. M. Harrison, Acting Deputy Minister; Dr. W. M. Cameron, Director, Marine Sciences Branch; Mr. T. M. Patterson, Director, Water Resources Branch; Dr. A. T. Prince, Director, Water Research Branch; and Mr. K. M. Pack, Director of Administration and other departmental officials.

The Chairman called for a motion for an increase from 250 copies to 300 copies of the French Minutes of Proceedings and Evidence.

Moved by Mr. Andras, seconded by Mr. O'Keefe,

Resolved,—That the Committee increase the printing of its Minutes of Proceedings and Evidence, in French, from 250 to 300 copies.

The Committee continued its examination of the estimates of the Marine Sciences, the Water Resources and Water Research Branches covered by items 25, 30, 70, 75, 80 and the questioning of the witnesses.

Mr. K. M. Pack tabled a series of maps in response to Mr. Fulton's question of May 31, showing the delineation of the Polar Continental Shelf. These maps were labelled Exhibits 1, 2, 3, 4 and passed to the Clerk of the Committee for safe-keeping.

At 1.05 o'clock p.m. the meeting adjourned to the call of the Chair.

R. V. Virr,
Clerk of the Committee.
