[English]

**Mr. Speaker:** I declare the motion lost.

**Mr. Hawkes:** Mr. Speaker, I rise on a point of order. We have been waiting patiently for the \$1 million mark. At the rate we are taking these votes, if we do not apply some of those completed to future ones, we will be here another four hours at a cost of \$1 million to Canadian taxpayers.

**Some Hon. Members:** Oh, oh!

**Mr. Hawkes:** I am wondering if we might have unanimous consent to save \$1 million.

**Some Hon. Members:** Withdraw the bill!

**Mr. Riis:** Mr. Speaker, the government Whip raises a good point, but if he is really concerned about the taxpayers of Canada, the best thing that he could be advised to do is for his government to resign.

**Some Hon. Members:** Hear, hear!

**Mr. Tobin:** Mr. Speaker, we want to remind the government Whip that while he has been worried about the cost of democracy, and there is never too high a cost to pay for democracy to allow the people of Canada to be heard, in the six votes that have been taken, this government already has approval for some \$8 billion worth of GST and we are not going to say yes to rest of it without a fight.

**Some Hon. Members:** Hear, hear!
