Sir Arthur Currie,
McGill University,
C I T Y.

Dear Sir Arthur:--

Some months ago I suggested the name of Sir Campbell Stuart as a most desirable member of the Board of Governors of McGill University.

Sir Campbell has since done most valuable work in promoting interests of McGill in general and of the recent financial campaign in particular in the Old Country.

It was through him that all our McGill publicity was distributed and also through him that the Campaign messages from the Universities of the United Kingdom and Ireland were secured.

As the Old Country representative of the Board I think he would be a most worthy addition, and with kind regards, remain,

Yours very truly,

WMB/HB.

Henry Birks.
