

February 7th, 1930.

Dr. G. W. Parmalee,  
Department of Education,  
Q u e b e c .

Dear Dr. Parmalee,

I acknowledge your circular letter of the 6th regarding a proposal for a new set of readers for use in the Protestant Schools of Quebec. I agree that after thirty years it is more than time for a change, and shall be glad to examine the books you are going to send me.

Ever yours faithfully,

Principal.
