

BULLS PERSISTENT WHEAT ADVANCES

Cold Weather in Southern Europe Aids Campaign at Chicago.

CHICAGO, May 10.—Determined bull leadership in the face of several strong bearish factors today advanced wheat 1/4 to 5/8. Corn finished 1/4 to 1/2 up and oats 3/4 to 1/2 higher.

Because of Whitman's holiday at Liverpool, the wheat market was largely home-made. Bull sentiment was apparent from the first, all options except May, which was weak at the start after yesterday's flurry.

Acceleration of movement came when wheat bulged at Minneapolis, shorts there being driven to cover and finding offers in the market.

Receipts of farm produce were 200 bushels of grain, 6 loads of hay, about 10 wagons and buggies containing mixed produce, in the north building, and a fair supply of butter and eggs, but very little poultry.

Wheat—One hundred bushels sold at 80c. Oats—One hundred bushels sold at 40c. Hay—Six loads sold at \$16 to \$17 per ton.

Potatoes—Prices range from 75c to 90c per bag delivered. Apples—Choice No. 1 Spies are worth from \$4.50 to \$5.

Butter—The wholesale market is easier and a little lower for the bulk of sales, although the retail market is still strong.

Eggs—The wholesale market for eggs was about one cent per dozen firmer. Poultry—Since spring light has become more plentiful, the demand for poultry has eased off.
