The Home Owners' Furnishing Club Has Caught On

Enrolling a new member every five minutes, beginning Monday morning at 8.30, the Club Roof 500 members will be filled before Friday night!

So this Club idea of going right on with your Homefurnishing and yet not spending all your can at once has caught on! It's dead sensible, too. People feel more comfortable with a little cash reservities days...so people who have always paid cash here before are glad to stretch the payment out out the year...they know they're not paying one cent for accommodation, just the same close cash price and all the February Sale Specials as well.

Then they know they're choosing their Homefurnishings from the most select stocks in Ton That counts with people of taste and refinement. Here is a great collection of offerings for Wednes
