Limited

## **STOVE and RANGE MANUFACTURERS**

Only makers in Western Canada of the celebrated French Ranges in five sizes. The most suitable range in the market for Hotels, Restaurants, Logging camps, and everywhere where large cooking capacity is required. Catalogues mailed on request giving all information regarding these ranges, which have been made by this Company for over thirty-five years. Hundreds of these ranges are in use all over B.C. and the Provinces. We ship these ranges as far east as Ontario. *There's a Reason!*
