Rugby Gossip

That the rugby enthusiasts are eagerly waiting for the season to open and incidentally get a glimpse at the new Varsity team this year was shown by the rush for tickets yesterday for the game Saturday between the Old Boys and Varsity. The subscription list also came in for a big boost. Speaking of this year's team one of the men behind the Varsity aggregation stated that the team is showing up far better now than the Canadian champions did this last season. If such is the case the blue and white will be again strictly in the running for the Canadian honors.

EVERY FAVORITE BEATEN FIFTH DAY AT WOODBINE

Court Belle Wins First Race, Being President Seagram's Only Success of the Meeting.

President Seagram secured winning brackets for the first time of the meeting yesterday at Woodbine Park, his Havoc filly, Court Belle, defeating the Valley Farm pair in the opening event, which she won easily. It was a depressing session for the favorites, not one of them finishing in front, the four landed second money. Court Belle paid the longest price, \$25.40, for your \$2 bill.

Wilson was the winning jockey of the day with three.

The day was fine overhead the cool, and the regulars were out in force to see a fine afternoon's sport.

Court Belle pulled in behind Shore Dream at the start of the first race and stayed there under restraint till Musgrave let out a link. The pacemaker dropped to nothing and the filly went to the front to stay. The Hendrie pair were prominent the first part of the journey, Rockspring staying for the place and Pekisko falling back. Oronandrom came from behind for the show.

Coltspring won the second sprint by a stretch run, working thru from the back the last quarter. Port Worth beat Chief of the field, that was strung out.

Guy Fisher ran a waiting race in the Epsom Handicap and was there with the sprint when the pinch came. Sir John Johnson showed the way and just as they were for the place, Silly Night beat ready to pass him the next stride. Lawton Wiggins did not justify his support.

The three led in turn in the Minora Handicap. Star Charter judiciously lay behind his rivals to the muted shed, and then jumped out and won as he pleased. Meanwhile Kate Kittelberry had dropped behind Lahore, and so they finished. The only three started.

Thistledeane might have won the steeplechase, as he was leading when the fall came. Then the Welkin showed the way to the last jump, when he was ridden by Karmath, went out and gained four lengths in the short flat. Dr. Heard was always last.

Five of the eight were well played in the next race, the shortest sprint of the day, with Mission an undeserved and emphatic favorite. Camellia flattered her many backers the early part but died away. Flammas came from nowhere and won in the last few jumps. Flower Girl and Eton Blue also coming strong at the finish for the place and show.

Annulus, second choice, was always favored in the classy race, was always won by a head from Lady Ormer that had made the pace from just after the start till a jump before the wire. Ed Keck five lengths back, third, and the strongly played favorite, Hatters, first of the also rans.

The following races close at the office of the clerk of the course, Woodbine Park, Friday, Sept. 29, at 12 o'clock noon: North Country Purse; Simcoe Purse.

Seven races are again on the card for this afternoon, with the Rothchild Cup Handicap, \$1000 added, 1 mile, as the feature.

Further particulars of breeding may be obtained at the box. The sale will be conducted by MR. GEO. FITCH of Hamilton.

MAHER'S HORSE EXCHANGE

16 to 28 HAYDEN STREET

ROYAL CHANCE TO BUY A KING'S PLATE WINNER

MRS. LILY LIVINGSTON has consigned to us for sale AT THE WOODBINE TRACK, ON SEPTEMBER 29TH, AT 12 O'CLOCK NOON, the entire produce of her thoroughbred stock farm, near Cobourg, Ont., including:

"KING CASH"—Son of Bowling Brook (conqueror of the \$75,000 Hamburg in the Belmont Stakes of 1893), and Alcyone II. (Cam of the stake winner Kingship);

"LILBURN"—Son of Locusthatchee and Miss Lois, and half-brother to Calman, who won in England, running one mile in 1:33 1/4, will be auctioned without reserve to the highest bidder; by yearlings by Stanhope II., who is a son of Floriolet II. (brother to Persimmon and Diamond Jubilee, Derby winners, and sire of Volodovski, Derby winner of 1900), and King's Daughter.

These yearlings are from mares especially selected at Ranocosa Farm and brought to Canada.

Mrs. Livingston's reason for selling is that she is barred by the Racing Association of Canada from participation in races restricted to horses bred and owned in Canada. It is Mrs. Livingston's desire that the horses sold from her Cobourg place fall into the hands of enterprising and competent Canadians, eligible to enter in the Dominion and Province, bred races.

"FLORA'S DIAL"—Stanhope II.'s first Canadian foal, ran second at Windsor in her only race of a very hurried preparation. The death of this filly prevents her being offered for sale here.

Further particulars of breeding may be obtained at the box. The sale will be conducted by MR. GEO. FITCH of Hamilton.

The McGill squad have had some good practices, and Captain Johnston is putting his men thru a lot of work these days. Waterloo, Caledonia, Rogers and Blenheim, of last year's men, have now joined the squad, which now numbers about 35 men. Turnbull, Gartshore and Gilmour of last year's team, will be back, but are not expected to play, as it will interfere with their work. Some of the youngsters are showing up well, but nothing definite will be done till the university opens on October 2, when all the boys will be back. Practices will be held every day this week.—Montreal Witness.
