

YORK COUNTY AND SUBURBS

RIVERDALE

VETERANS ENTERTAINED

Simpson Avenue Methodist school room was gaily decorated Wednesday evening when a large number of returned soldiers, members of the church, were royally entertained by the congregation to a supper and social hour.

Capt. (Rev.) A. D. Robb, returned chaplain from overseas, delivered an interesting address and a program of vocal and instrumental music was contributed by Mr. and Mrs. Jackson, Lieut. Brown and other artists. Rev. J. R. Patterson, pastor, presided.

REV. ROADHOUSE CHOSEN AS BAPTIST MODERATOR

Rev. W. F. Roadhouse was elected moderator of the Toronto Association of Baptist Churches, at the annual conference held at First Avenue Baptist Church yesterday.

The following officers were also elected: W. H. Pettit, vice-moderator; Dr. Findlay, clerk; J. G. King, auditor; Dr. G. G. Brown was elected representative for foreign missions; Rev. L. L. Sloan for home missions; Rev. C. H. Schutt for Grand Ligne, Quebec; Rev. C. F. Scot for Western missions; Rev. P. P. Ziemann, B.Y.P.U.; Rev. B. W. Merrill, Sunday School; Rev. J. McIntosh, education Ontario and Quebec. The general executive committee of the association consisted of Rev. W. E. Hodgson, Rev. B. W. Merrill, P. C. Gerrod, F. Inrig and Thomas Urquhart, with the moderator and clerk.

The address of the afternoon was delivered by Rev. Dr. Graham, pastor, First Avenue Church, who spoke on "Some Things That Retard Our Progress," and said playing of cards, attending the theatre and smoking are worldly pleasures which should be condemned, and that it would be a grand thing for the church members to give them up and interest themselves in spiritual pursuits for the welfare of the church would also be promoted. "We have been attending to the organization rather than the spirit of God," said the preacher, in concluding his remarks with a criticism of modern methods.

WILL SECURE COAL FACTS

Regarding the coal situation and the proposal to hold a mass meeting of the citizens to discuss the matter, George R. Ellis of the East End Citizens' Committee said he intends to secure from the Dominion government all facts and figures available regarding quantities and prices of coal, and if possible what action the government intends to take to protect the people of Toronto from inflated prices.

"I will also request information regarding the coal act and the 50 cents a ton margin of profit, if it is still being adhered to by the coal merchants and if the law is still in force," said Mr. Ellis.

SEND BODY TO ENGLAND

The casket containing the remains of the late Mrs. Ellen Fulford, 58 Harcourt avenue, who died on February 18 last, after a short illness, in her forty-first year, and which was buried in St. John's Cemetery, Norway, was exhumed by permission of the government authorities at the request of the relatives for shipment to England to be reinterred in the family burial vault at Bedford, Devon.

The proceedings were carried out under the personal supervision of L. W. Trull, undertaker, 751 Broadview, who accompanied the casket to the real, where it will be placed on board the S. S. Megantic.

The widower, Samuel J. Fulford, accompanies the remains to England.

LIBERTY LEAGUE WILL MEET

A meeting of the Liberty League will be held in O'Neill's Hall, corner of Parliament and East Queen streets this evening, when it is expected that Col. H. A. C. Machin, M.L.A., Kenora, John Vick and others will address the meeting.

The following resolutions will also be submitted: "That the board of control be urged to allow the sale of ice cream in confectionery parlors and places of amusement on Sunday," and also "that each member of the Dominion and provincial houses and municipal representatives be asked what stand they propose to take regarding the aims and objects of the Citizens' Liberty League."

PARK GETS FOUNTAIN

A drinking fountain has at last been erected in Withrow Park by the parks department. The front of the pavilion to the great satisfaction of the visitors.

This convenience has been appealed for during the past winter at regular intervals by the North Riverdale Ratepayers' Association.

NEW TORONTO HOUSING COMMISSION

After a considerable amount of hard work the housing commission has all preliminary arrangements completed, and instructions have been given to James Louden and Herbertburg architects, to ask for tenders. Thirty-six houses will be built by the commission on both sides of Eighth street, south of the Lake Shore road, to Morrison street. All local improvements are already installed on the street, including sewers, water and light, and petitions for sidewalks are under consideration. The houses are to be five and six-room dwellings and cost from \$3000 to \$3600, including land. That price includes principal interest taxes and insurance over a period of 30 years and will be repaid by monthly instalments of \$20 or \$25, with the option of paying off the full amount at an earlier date. The commission expects to have all the houses ready for occupation before the cold weather sets in.

Since the housing bill became the housing act the municipal authorities have shown a great increase in the scheme and have worked hard to take advantage of the plan for the benefit of the ratepayers. It is felt locally that this prompt action of the New Toronto authorities will appreciably relieve the housing problem of the citizens who have taken advantage of the system. Incidentally the prompt action should make a good precedent for the less active municipalities in the district.

EARLSCOURT

Quite a number of Earlscourt young people are leaving this section to work in the strawberry fields in Ontario, where it is said labor is scarce. North of Dufferin, about five miles from St. Clair avenue, strawberries are very plentiful, and the prices are expected to be reduced as the season advances. Boxes of strawberries are being sold in the northwest section for 35c at the present time.

A large number of Earlscourties were present at the Church of St. Chads, North Dufferin street, Earlscourt, to witness the marriage of Florence Elizabeth Birch of 284 Earlscourt avenue, and Leonard Frank Clitenden of 113 Ashburnham avenue, who were united in marriage yesterday by the rector, Rev. A. J. Reid. The young couple are well known in Earlscourt, and attend St. Chads' Church. After a honeymoon trip they will reside in Earlscourt.

The Earlscourt branch of the G. W. A. met at headquarters last night in the Belmont Hall, the president, F. J. Richardson, in the chair. Routine business was discussed, and several new members were initiated.

BIG POULTRY SHOW

The Earlscourt Progressive Poultry Association held its regular monthly meeting at 1232 St. Clair avenue last night. W. H. Smith occupied the chair. R. B. Fox, government judge, gave a talk on points and breeding of poultry, including the right kind of food during the molting season, and Alex. McGregor, president of the fall fair, presented the association with "The Call of the Hen" and "Standard of Perfection," two standard works used by poultry breeders. There was a good attendance.

LEASIDE

BOWLING GREEN PREPARED

In connection with the men's club connected with St. Cuthbert's Parish church, Leaside a bowling green is at present being prepared on the church grounds for the amusement of the members.

VETERANS ENTERTAINED

Under the auspices of St. Cuthbert's Anglican Church, Leaside, a large party of returned soldiers, residents of the parish, were entertained to supper and a social evening recently, in the parish hall. Rev. J. M. Lamb, rector, presided, and an excellent musical program was rendered under the leadership of Fred Baker. A very enjoyable time was spent by all present.

DANFORTH

LARGEST GARAGE IN CITY.

Foundations are now being laid for what is stated to be the largest public garage in the city. The building is situated on the north side of Danforth avenue just west of Ellerbeck street, and has a frontage of 88 feet by 100 feet deep, the material will be brick with stone dressing, and is being erected by W. E. Playter, 23 Playter crescent. It is expected to be completed early in July.

SCORE'S JUNE SPECIAL IN PIM'S IRISH POPLIN NECKWEAR.

No man could pay his Summer wardrobe a nicer compliment than to sort up his neckwear case with say a half-dozen or more of the exclusive and high-class Pim's Irish Poplin neckwear. Regular \$1.75 specially priced for the week-end at \$1.25. Score's, Tailors and Haberdashers, 77 King West.

GRIEVANCE-HAIRING DAY ARRANGED FOR

That a strong effort would be made to reorganize the Ward Seven Conservative Association and secure for them stronger representation on the executive of the West York Association, was the decision of a meeting of the association held last night in St. James' Hall, corner of Pacific and Dundas streets. The proceedings of the meeting were largely devoted to securing that the members were all optimistic of the final results. It was decided that after strengthening the executive committee a general meeting would be held at which the members would be able to air their grievances.

Lou Johnson, past vice-president, was in the chair, and E. J. Lawson represented the West York Conservative Association. Mr. Lawson stated that it was bad policy for an association to grow dormant, as this one undoubtedly had, and that it could not prove its real worth if it only pulled itself together at the last hour for election purposes. According to the constitution, said Mr. Lawson, "there is really no Ward 7 Conservative Association in existence, as no annual meeting or election of officers has taken place at the required time." He advocated for a better and bigger association, "they were the deciding factor in the Net For Election."

Mr. Johnson pointed out to the meeting that the reason for not holding general meetings was that the members had various grievances, which they did not wish to make public. He thought that if the executive were composed of young men it would put new life into the association, and that the members must respect the old members, who had a rough and ruse road to travel, we would get more respect from the younger men.

It was then suggested that a young men's club be formed to cooperate with the present one and to retain the old members in their executive positions. It was finally decided that the chairman of each of the 44 polling sub-divisions be organized and for this purpose a meeting will be held Wednesday next to consider so that it will make itself felt. The members agreed that the press would be excluded. The reasons given for this were that the grievances that will be aired are for the members and not for the public.

GENERAL ASSEMBLY LARGELY ATTENDED

Gathering Almost a Record—
Rev. T. A. Moore Believes
Prohibition Permanent.

Hamilton, June 5.—The first morning session of the Presbyterian General Assembly opened in St. Paul's Church this morning with nearly 600 delegates in attendance, making the largest attendance on record, with the exception of the congress, held in Toronto.

The newly-elected moderator, Lieut.-Col. John Pringle, presided, wearing the uniform in which he won such distinction overseas.

Rev. T. Albert Moore, representing the Social Service Council of Canada, was given permission to address the assembly. The rood common-sense of Canadians, declared the speaker, would bar forever the saloon and shops where liquor could be sold. The council stood firm against racetracks, and had suggested to parliament the enactment of laws re social vice—such was now before the house. The council was now urging the senate to make adultery a crime, to raise the age of consent, and legislation regarding female employees.

"I must investigate Unrest," said Dr. Moore, discussing the industrial unrest, "but we must investigate the conditions. I believe in the application of the principles of the Gospel here."

Col. Pringle, the moderator, in thanking Dr. Moore for his address, said he went overseas a temperance fanatic—a confirmed teetotaler—the fanatic—a confirmed teetotaler—a fanatic. He was ten times more a fanatic now.

Rev. T. Nattress of Chalk River gave it as his opinion that many members would object to Mr. Herdridge's term, "one Bible and one hymn book." This term was putting the hymn book to rest much on a par with the Bible.

The phrase was deleted and the report of the committee on church praise adopted.

Toronto Changes Invalid.

At the afternoon session, when the changes in the roll of the assembly were enumerated, Rev. Dr. Campbell, clerk of the assembly, accused the Toronto Presbyterians of breaking a great law of the church in failing to give the required eight-days' notice of changing in the roll, having adhered to its own ruling. The clerk's protest was sustained, and the Toronto changes were not allowed.

The report on home missions and social service was presented by Rev. Dr. Fildeson. He stated that a deficit of \$157,000 had been wiped out in three years.

Dr. Milligan's Reappointment

The discussion on the question of the reappointment of Rev. Dr. McMillan, Toronto, to the position of stimulating the spirit of church praise held by him for five years, was resumed. Rev. R. M. Hamilton, Brooklyn, proposed that the appointment be made for one year, Dr. McMillan having been appointed for a five year period before.

Rev. J. McCarty Wilson, the original mover of the resolution, amended it to read that Dr. McMillan be appointed for one year from date at a salary of \$2800, the matter of his further appointment to be decided by a small committee appointed by the moderator.

A feature of the session was the reading of a telegram received by Col. Pringle from Sir Sam Hughes, read by Dr. Laird, it caused a burst of applause, and quite embarrassed the modest moderator.

The message from the minister of the new honor accorded you. None deserves it better. You are one of the many bright gems brought out by the war. Your greatness was shown in distress and in prosperity. The world knew you, success to your cause."

ETOBICOKE

CLOUDS OF DUST BECOME INSUFFERABLE

The dust nuisance on Dundas street west of the Etobicoke river is the cause of numerous complaints by the residents, particularly in the neighborhood of Dixie. The heavy motor and other wheeled traffic on this important highway creates a constant cloud of dust which settles on the land in all directions, choking vegetation and causing inconvenience to the residents. The section is under the supervision of the county of Peel engineer, Mr. Wheelock, at Orangeville, who has been requested to abate the nuisance immediately.

The last day to pay your City Taxes.

LATE J. FRANK BROWN.

J. Frank Brown, second son of J. F. Brown, 145 Dowling street, died in St. Michael's Hospital Thursday afternoon after an operation for appendicitis and other complications. He went overseas with the 1st Canadian Tank Battalion, and on his return nine days ago, apparently in perfect health. He attained his twenty-first birthday on armistice day. He was born in Toronto, educated in the separate and technical schools, was very fond of sports, especially baseball, football and canoeing, and was greatly delighted when entertaining his young friends with instrumental music. By profession he was a metallurgical chemist, and before going to Europe was employed at his father's works, Brown Copper and Brass Rolling Mills at New Toronto. Frank will be greatly missed by his numerous friends. His funeral will be Saturday morning from Holy Trinity Church, thence to St. Michael's Cemetery.

HAMILTON NEWS

Hamilton, June 5.—With two former commanders, Lieut.-Col. H. D. G. Crear, D.S.O., and Major George Shearer, D.S.O., present, the officers and men of the famous fighting 11th Battery, together with a number of other veterans of the world war, were entertained at dinner in the I. O. O. F. Temple this evening by the Citizens' Re-patriation League.

No further developments were reported by the police tonight in connection with the shooting of four Austrians at the Tuckett farm on the Beach road last night by eight Italians, who, after securing more than \$2000, opened fire with automatic weapons on a group of eight Austrians. The wounded men, who are middle-aged and speak poor English, were reported by the City Hospital authorities tonight to be doing nicely.

Just to let them know at Ottawa that this city intends getting action land in all directions, complaint on Controller Halford's complaint of coal profiteering here, the board of control instructed Secretary Barr this afternoon "to wake them up again," which means that another torrid letter will be sent.

Endorsation was given the bylaw fixing nomination day as Dec. 23.—Ice cream bricks are becoming as scarce as hens' teeth here, due to the hot weather, despite the protestations of the wholesalers that they are delivering the goods. Some stores have not had a brick for a week, while others have been requested to secure a part of their usual demand.

class so strongly entrenched behind a great barrier of high finance. This school points out that there is no more conscientious than that of the nouveau-riches, who, it is claimed, are more responsible for the present industrial depression than any other class in Canada. They also state that the one factor of unreasonable prejudice aimed by the City Hospital authorities until it is cast to the winds by the employing classes.

When Mayor Gray left the city hall today with his body guard, to enter his automobile, one of his men bent down to crank the machine, and a pistol in his hip pocket was exploded. The weapon was immediately seized by a man said to be a striker. A policeman arrested the mayor's guard. The mayor proceeded to the police station and obtained the guard's release. A belligerent crowd gathered in front of the station and the mayor's guards were obliged to shoulder their way thru the gathering. One man struck at the mayor.

Despite the fact that today passed without serious trouble, the tension of last night has not been lessened and many fist fights have been reported.

SPECIAL MEETING TO DEDICATE FLAG

Weston ratepayers have decided to hold a special meeting on June 15 for the purpose of dedicating a service flag in honor of local boys who served overseas. The Rev. Dr. Archibald has promised to officiate and several other prominent men in the district will take part.

Work on roads and sidewalks has been started and the teams are busy grading the highways. Members of the association protested against the action of the council in utilizing garbage for making roads on the Weston side of the bridge. It is alleged that
