The Court of Appeal yesterday resel case, and then, no other case being ready, adjourned until 2 o'clock, when the appeal of the plaintiff, Christiani, in his action against the Canadian Pacific Railway Company, was heard. The plaintiff claimed that he was hired by the defendants as a Pullman car porter at \$40 a month, work or no work. The defendants claimed that he was to be paid at that rate only for work done. A jury returned a verdict for the plaintiff and then a Divisional Court directed a new trial before a judge without a jury, and the before a judge without a jury, and the present appeal is taken from the order of that court. The case was important for the railway company, as all their porters are paid as they claim plaintiff was paid in this case, all, including the plaintiff, signing from time to time receipts, as well as monthly pay sheets, acknowledging payment of amounts due. The court dismissed the appeal with costs.

In Guinane v. Guinane, the plaintiff, John Guinane, asked in single court for an injunction restraining W. J. Guinane and R. B. Ritchie from removing the stock of boots and shoes

w. J. Guinane and R. B. Ritchie from removing the stock of boots and shoes of Guinane Brothers, 210 Yonge-street, Toronto, and for an order winding up the partnership and preventing W. J. Guinane from carrying oh business there as "Charles Hatton & Co." The motion was adjourned by Mr. Justice Ferguson until Tuesday next.

In re Taylor an order was made appointing the Toronto General Trusts Company trustees to receive certain insurance moneys payable under a policy in the Canada Life Assurance Company, and it was held that under sec. 7, ch. 32, of 56 Vic. (O.), a foreign administrator could not be appointed trustee but only a guardian.

NON-JURY SITTINGS. At the non-jury sittings Sir William Meredith in Stark v. McArthur held that the court here has jurisdiction to direct payment by a firm of solicitors in Winnipes of moneys in their hands collected upon a mortgage, and directed judgment to be entered for plaintiff. After several cases were disposed of the case of Hartnett v. Ellis was called. The plaintiff seeks to recover \$6773, the amount of his judgment against the Toronto and Richmond Hill Street Railway Company, from P. W. Ellis, John Blacklock and three or four others, shareholders of the defunct company, who, he says are liable to him, a creditor of the company. sable to him, a creditor of the company, for the amount unpaid on their stock. The defendants say that there is nothing due in respect of their stock, and at all events that their shares have long since been sold out and transferred to others. The hearing of the case will be continued to-

Mrs. Samuel Rich pleaded guilty yesterday before Magistrate Ormerod of using to County Constable Hobbs the "grossly insulting" language, "You lie, you dirty little sneak." In view of her plea the Magistrate said he had no option but to impose a fine of \$2 and costs. The husband of the defendant, who stood near her, groaned when he was informed that this amounted to \$7.79, or \$9.79 altogether, but his wife, rising from her seat, fixed his tie in so graceful a manner that he was conquered and pushed his way forward with a ten dollar bill to settle. The change was two ten-cent pieces and a copper, which he pocketed with the remark, "Just four drinks and a collection." Mrs. F. The horse attached to a delivery wagon of R. Higgins & Son, grocers, 804 Yongestreet, got frightened yesterday afternoon while the driver was landling provisions at Lawyer Baldwin's residence in Deer Park, and dashed southward towards the city. Mr. A. Gray, who is employed at the lawyer's place, jumped on a bicycle and started after the runaway, but before he reached it Conductor Joseph Madden jumped off a Metropolitan car and pluckly stopped the headlong run.

Since the last rain the apparently driedup town wells have filled up again, and the digging contemplated is now made unnecessary.

Thomas Hall, grocer, of Eglinton, and William Smith, were in Magistrate Moyes' Thomas Hall, grocer, of Egilnton, and william Smith, were in Magistrate Moyes court, Deer Park, on Tuesday evening, upon the charge of cruelty to animals. Hall's horse, in pulling a load of fruit and vegetables, became balky, and ran the rig into the ditch. It was alleged that Smith hitched a team in front of the animal by a chain around its neck, and drew the beast onto its knees before budging it. Much indignation, it is said, was aroused among spectators, but the evidence in court was so contradictory that the case was dismissed.

The failure of the Union National Bank of New Orleans was given as the reason for realizing in stock market this afternoon. At any rate, stocks sold off sharply and closed at lowest prices of day. It is said that the bank which has suspended is not an important one. Foreign exchange very weak. The only enquiry for bills came from gold importing houses. About \$750,000 gold was taken in London to-day for shipment here. The Bank of England has advanced its price on bar gold to 78s. Posted rates were reduced, and at the end of the day demand sterling was demoralized, being offered at below 4.84. The Western Union declared the regular quarterly dividend of 1½ per cent. The statement for the three months shows a surplus of \$164.000, a decrease of \$250,000. For the fiscal year the decrease in surplus was approximated \$43,000. The American Sugar Company declared the regular quarterly dividend payable Oct. 2. It is stated that the Chicago Stock Exchange is unlikely to reopen till November. There is a much better demand for commercial paper. Rates are working in the direction of 6 per cent. About \$500,000 gold came here to-day, making the total received so far \$14 350,000.

Since the recent jump in the price of Crown Point and Jose, I would call the attention of investors to the Grand Prize at 10c per \$1 share.

This mine, which is now working and developed sufficiently to give great promise of its future, has three veins running through it, one of which is the largest in the district, and under its present capable management has every indication of becoming a first-class mine.

I can recommend this as one of the best investments offered, and should be availed of at present figures.
