The will carry with him a crumbter copy of the agreement, which is to be used for the laformation of the European interests. The control of the European interests are concerned.

The proceeds of these sales go to buy those and dainties for the table. One burgher has succeeded with no other map has acrived in this city for to-day's meeting of the Feard of Directors.

HISE JN CANADIAN PACIFICS.

Montreal, Nov. 18.—A special from New York says: "It was noted in Wall-street years again and any severe in the grant of the camp school, where both English and Durch are taught, and where the English and put the arrival in the city of Lord Stratebons who and the arrival in the city of Lord Stratebons and Sir William Van Horne, who met leading rilling and and any severed large marquee, where tables and forms and severed large marquee, where tables and forms and severed large marquee, where tables and forms and severed large orders at the limits could not be littled to each of the canadian Pacific is to benefit materially by the settlement of the Northern Pacific danadian Pacific is to be need and selection in the city of Lord Stratebons and Sir William Van Horne, who met lead in grailroad officials and hankers. At the last moment it was discovered that the Canadian Pacific is to benefit materially by the settlement of the Northern Pacific data moment it was discovered that the Canadian Pacific is to benefit materially by the settlement of the Northern Pacific data moment it was discovered that the Canadian Pacific is to benefit materially by the settlement of the Northern Pacific and more independent of the Northern Pacific and pacific is to benefit materially by the settlement of the Northern Pacific and pacific is to benefit materially by the settlement of the Northern Pacific and pacific is to benefit materially by the settlement of the Northern Pacific and pacific is to benefit materially by the settlement of the Northern Pacific data moment it was discovered that the canadian Pacific is to benefit materially by the s which, in drought, is served to the men.

Nonday meal over, such of the prisoners as care to volunteer to do work outside of the leager go under guard to the duty assigned to them. Most of the burghers, however, prefer to spend the afternoon in sports.

Some play cricket at low tide on the didded out market of the United States. Years ago Canadian trade was a matter of minor importance to us; it has now grown to be too valuable for us to part with. Years ago the market of the United States. Some play cricket at low tide on the didded out market of the United States. Some play cricket at low tide on the States was one that the Canadian control of the United States. Some play cricket at low tide on the States was one that the Canadian control of the United States. dried-out mange swamps. Others p'ay a States was one that the Canadians consort of modified football. Contests of strength and speed are popular, but the home-made billiard table and the tennis position of the two countries has thus home-made billiard table and the tennis court are centres of amusement.

The tennis court was made by the prisoners, after balls, racquet and the met had been sent by the Association for Providing Amusements to the Boer Prisoners of War. They have taken to the game with delight, and there is great rivalry among them.

One of the best double teams is made up of little Piet Cropie, the Isyacrald control of the two countries has thus position of the two countries has thus radically changed, and Canada can now adopt, if she chooses, the same restrictive but it is this fact which gives force to Sir Wilfrid Laurier's words, that the movement toward a more equitable basis of trade between the United States should be invited by corresponding to the two countries has thus radically changed, and Canada can now adopt, if she chooses, the same restrictive but it is this fact which gives force to Sir Wilfrid Laurier's words, that the movement toward a more equitable basis of trade between the United States should be invited by corresponding to the two countries has thus radically changed, and Canada can now adopt, if she chooses, the same restrictive but it is this fact which gives force to Sir Wilfrid Laurier's words, that the movement toward a more equitable basis of trade between the United States should be

most obvious peculiarity of young Clemens, was the drawling way in which he spoke.

"What makes you pull your words so?" the captain asked him on one trip. "You" is the captain the captain asked him on one trip. "You" is the captain the captain asked him on one trip. "You" is the captain t lar singers, are probably the worst flowers that could be so used because of their tendency to injure the voice.

There is no doubt that some flowers exert an injurious effect on the human voice. dme. Krauss found that violets caused ner moarseness almost instantly. The great baritone, Faure, who has written a book on the hygiene of the voice, calls the vio-let one of the singer's greatest enemies: ranking with it, however, both alcohol and The French physician, Cabanes, gives an interesting example of the effects of violets on the human voice. "At a soirce in Paris," he says, "the celebrated singer, Marle Sasse, was presented with a large bouquet of Parma vio lets, which had been sprinkled with a con-centrated extract of the same flavor. Sne was fond of violet and inhaled the perfume eagerly. Presently she attempted to sing and found that her voice was zone. Her vocal chords were, for the first time, completely paralyzed." The famous Christine Nilsson would not tolerate any flow-

has a particular aversion to elder flowe on account of their injurious influence. They All Had Their Joke. Lawyer: I tell you, your honor, you can't hang this man by law.

Judge (facetiously): Then I guess we'll have to do it with a rope.

Prisoner (sotto-voce): He's stringing me.

While every timber, every casement creaks, But still the skylarks sing aloud and bold;
The wooded hills arise; the white cascade Shakes with wild laughter all the silent shadowy glade.

The Duke of Norfolk has contributed altogether :5000 to the fund for the erection of a memorial church to the late Cardinal Newman.

Fred Wellhouse, the Kansas "apple king," owns 1240 acres of orchards, and gathered an apple crop this year amounting to 60,000 bushels.

CHURCHILL TALKS.

With never a dream of a swirl, They break into boisterous eddy, And are off with a whisk and a whirl.

Then change to a trip or a trot; They leap from a minuet stately To the swing of a gay gavotte.

They rally, retreat, advance; And the wind is the blithe musician

The house is full of arnica

And mystery profound; We do not dare to run about, Or make the slightest sound; We leave the big plane shut,

The doctor's been here seven times Since father rode the goat.

He joined the lodge a week ago-

When father rode the goat

And practicing his signs-

He's resting on the couch to-day,

They surely had an evening's work

PERSONAL.

Got in at 4 a.m., And sixteen brethren brought him home Tho he says he brought them.

And do not strike a note:

That plays for the leaves to donce.

When Father Rode the Goat.

W. Burns President of the Toron to Executive. The executive of the Toronto Liberal Conservative Association met last night and elected the following officers: President, S. W. Burns; vice-president, C. C. Robinson; secretary-treasurer, J. H. Mc-Ghie; chairman Executive Committee, Dr. Beattle Nesbitt; auditors, Dr. Noble and

Beattle Nesbitt; auditors, Dr. Noble and A. J. Keeler.
Speeches were delivered by the newly-elected officers, and J. Del Warren, Ald. Foster, John Wickett, Thomas Gerring, William Wilson, D. C. World, Dr. Buck, E. F. Clarke, M. P.; Thomas Crawford, M.L.A.; Dr. Pyne, M.L.A.; Dr. Beattle Nesbitt, W. D. McPherson and others.
A suitable testimonial will be presented to the retiring president, W. J. Hambly.

### BONDS OF LOVE IN WILL.

Shows That Duke of Marlborough's

Spirit Was Genuinely Democratic. Philadelphia, Pa., Nov. 13.-A commentary upon the increasing closeness of in terests thru family affiliations between the United States and England was ofthe United States and England was offered to-day by the filing in the office of the Rgistrar of Wills of a copy of the will of George Charles, Duke of Mariborough, in the adjustment of whose estate are involved valuable American securities. He was the father of the present Duke, who married Consuelo Vanderbilt of New York. It was her fortune that helped to retain the ownership of Blenheim Palace to the Churchills. The old Duke volced in his will something of the democratic spirit of this country. The parapraph reads:

"I dislike particularly the exclusiveness of family pride, and I wish not to be buried in the family vault at Blenheim Chapel, but in any suitable place that may Chapel, but in any suitable place that may

Marriage is an empty dream, For the girl is dead that's single, And things are not as they seem

Single blessedness a fib; "Man thou art; to man returneth," Hath not been spoken of the rib. Is our destined end or way,

Life is real, life is earnest,

But to act that each to-m Finds us nearer marriage day. Life is short and youth is fleeting And our hearts, tho light and gay,

Wedding marches all the way. In the world's broad field of battle, In the bivouac of life. Be not like dumb driven cattle, Be a heroine and a wife.

Still like pleasant dreams are beating

Lives of married folks remind us We can make our lives as well.

And departing, leave behind us Such examples as shall "tell";

Such examples that another Wasting life in idle sport, A forlorn unmarried brother, Seeing, shall take heart and court.

A Winter Daybreak

With a heart on triumph set Still coatriving, still pursuing And each one a husband get.

When father rode the goat. The cock crows in the windy winter morn, Then must I rise and fling the curtain All gold and red and blue A hat with plumes and yellow braid, Anu golden badges, too. All dark! but for a strip of flery sky Behind the ragged mountains, peaked and torn.
One planet glitters in the key cold, But somehow, when we mention it.

He wears a look so grim, We wonder if he rode the goat, Or the goat rode him. Poised like a hawk above the frozen peaks; And now again the wild nor wester speaks, And bends the cypress, shuddering, to While every timber, every casement creaks, But still the skylarks sing aloud and Mr. W. Molson Macpherson, president of the Molsons Bank, has been appointed di-rector of the Canadian Board of the Brit-ish Empire Mutual Life Assurance Com-

Cholly: Why will you postpone the opera party? Carrye: Well, we all had such bad colds we couldn't talk above a whisper.

~~~~~~~~~~ CONSENT TO MURDER.

New York Journal: Miss Emma H. King, who has been inoculated with the virus of consumption in the interest of science, de erves credit for courage and devotion. But the physician who took advantage of her onthuciasm will not be in a pleasant posi-

tion if his malpractice brings its natural re Dr. Barney professes to be indignant a

the suggestion that he may be arrested by order of the Board of Health. He took the precaution to secure a certificate from Miss King, stating that she submitted to the experiment of her own free will and exon crated him from all blame for any possible crated him from all blame for any bossible consequences.

But such a document would hardly produce much impression in court. Our laws do not permit people to assist others to commit suicide. Neither do they allow one person to murder another on securing the victim's consent.

If Dr. Barney had shot and killed Miss King he would not have found it a good defence to produce a certificate stating that Miss King had consented to be shot. Nor will he find such a document any more effective in the case of murder by tubercle bacilli.

BRITISH PROTECT INDIANS.

Managua, Nicaragua, Nov. 13.—Ralph Paget, secretary of the British Legation to Republics of Central America, who has been visiting the Nicaraguan government, is about to leave Managua, after announcing to President Zelaya that the United States has approved the claim of Great Britain to be recognized as protector of the Mos-quito Indians in Eastern Nicaragua.

LIFE CRUSHED OUT.

Buffalo, N.Y., Nov. 13.—A man said to be Dr. James Irvington Marclay had his life crushed out in a folding-bed to-night. Persons living on the 200r beneath heard a crash in the doctor's room, and upon investigation found the folding bed lying upon the noor. It was opened, and Dr. Marclay's lifeless body was found inside. The dead man has relatives in Plainfield, N.J.

With the possible exception of the Baroness Burdett-Coutts, Miss Alice de Rothschild is the wealthiest woman in England. She owns several country estates and much urban property, including a house in Picca dilly and a villa at Grasse.

### PERFECT HEALTH

His wrist was sprained, and one big rip Had rent his Sunday coat— There must have been a lively time Why should any person endure the torments of disease and the misery of ill-health when Dr. Arnold's Toxin cure? They enable those who could do no work to take some part again in their usual avocation. The proof The halling signal, working grip,
And other monkeyshines;
He mutters passwords 'neath his breath,
And other things he'll quote of this is that there are tho sand of people to-day who once were suf-ferers of kidney diseases and general veakness who have been permanently cured by the use of

DR. ARNOLD'S TOXIN PILLS. They destroy the germs in the system, counteract the effects of the poisons they reate and cure the aliments. Here is an astance of how Dr. Arnold's Toxin Pills

Instance of how Dr. Arnold's Toxin Pills cures kidney diseases:

"For years past I was tortured by kidney disease, and it seemed as if no doctor could to me any good. I spent hundreds of dollars for medicines, but grew steadily worse until two months ago, when I was induced to try Dr. Arnold's Toxin Pills. I soon began to improve, and am now enjoying perect health. My physician, who said I could not get better, says my cure is one of he most wonderful he has ever known. Dr. Arnold's Toxin Pills, and they alone, cured me."
