TORONTO'S FRANCHISE.
Toronto, Oct. 11.—Washington has completed the deal for Casey, Freeman and Baker, and Galtins will in all probability be sold to the same club next week. Brooklyn liked Gaston, and the southpaw may become a Trolley Dodger. Two offers have been made for the Toronto franchise, with the view of adding this city to the Western League. Jack Rowe, the Buffalo manager, represented one of the intending buyers, and Sam Loftus the other.

DECISION AGAINST CHATHAM.
Judge Ermattinger on Monday gave judgment in the case of George Black vs. the Chatham Athletic Association, finding for the plaintiff for \$36.50 as against the association, and Mr. McBrayne, but relieving Messrs. Henderson, Phelps and Brag from payment of share of \$13 for wages, of which they were not co-partners.

FOOTBALL.
DISRUPTION OF THE O. R. U.
Toronto, Oct. 10.—The disruption of the Ontario Rugby Football Union by the withdrawal of Ottawa, Osgoode, Argonaut and Hamilton clubs, is the talk of the football world. The attitude of the parent body, the Canadian Rugby Football Union, is likely to change the complexion of affairs. Yesterday it was unofficially announced by an officer of the Canadian Rugby Football Union that that organization would refuse to recognize the new union. This means that the winner of the newly-organized series will not figure in the Canadian championship game at Rosedale in November. The four clubs do not relish this, and as a result there is an inclination on the part of the Osgoode, Argonaut and Hamilton men to be reconciled to an early return to the old union.
