"The Silver King." The English players at the Grand Opera House are giving Toronto the opportunity of witnessing a new artistic drama can be presented, and how it is done in the old land. This drama, which will only be in Canada a few weeks, having been brought from London by the Theatre Guild, is limited to a limited tour of the Dominion, and to ascertain how old country productions with old country actors and actresses would be received by Canadians. The reception accorded them has been most flattering, and the past week's production indicates that such productions are of great interest to the public. The English players at the Grand Opera House, during the week matinees will be given on Wednesday, Friday and Saturday.

"Record Breakers" at the Star. The Star Theatre next week is presenting "Record Breakers," Jack Ruddy's justly famous show of comedies, laughter-producing comedy and a heavy of great giving, handily owned, who are sprightly dancers.

"Hip! Hip! Ho!" at the Gaiety. The attraction at the Gaiety Theatre, which will cause a sensation, is a burlesque of the form of entertainment, next week will be George Ruddy's "Hip! Hip! Ho!" which in the past few years has always been found to contain more than its share of merit, and promises this year to surpass all previous efforts. Its chief claim to distinction has always been its deviation from the beaten path of the old-time burlesque show, presenting an entertainment that is crowded with refreshing novelties, sparkling music, witty dialog and clever comedians, and a host of other features.

The female contingent are headed by the ever popular Helen McClain, one of the most vocal and charming persons in the city, assisted by Kitty Warren, a sprightly soubrette, and Josephine, a dainty little comedienne. Also in the cast are to be found Jack Gibson and Doc Dorman, who are comedians of no mean ability. A typical "Hip! Hip! Ho!" chorus of beautiful girls is also featured.

Big crowds at Pantages. Big crowds are enjoying the sight of George Arbuckle in "Brewster's Millions" at Pantages Theatre, and the great amount of laughter each day, indicates that still larger audiences will be attracted before the week closes. Six exceptional vaudeville acts add to the general entertainment, and tomorrow night there will be the addition of the professional try-outs. Starting Monday, Pauline Frederick will be seen in "The Great Stone Face," and there will also be a fine vaudeville bill, headed by Jessie Sterling and her seven Glasgow girls. Special holiday performances will be given on Good Friday.

Tom Jones Indignant Over Class Distinction in Proposed Hill Park.

**WYCHWOOD** A deputation of land owners and residents of the Hill section of Wychwood appeared before the board of control yesterday, protesting against having a park site on the Hill. The deputationists asked one member of the deputation if he would like his own children to play in the park, and the answer was that he did not think that the milk would mix with the water.

In discussing the matter with the World Wood-Bronchdale Ratepayers' Association, the deputationists stated that one section of the Hill was now a back yard district where there were no improvements or conveniences, and now the board of control is to have a park on the Hill. The deputationists have made Wychwood what it is today.

**BETTER LIGHTING FOR BLOOR STREET** Under the auspices of the Bloor-Bathurst Business Men's Association, an enjoyable and well attended banquet was given last night in the Bloor-Bathurst rooms, Bloor and Bathurst streets, when over 80 members sat down to a splendid repast.

Among the guests present were: President H. C. Wallace of the Bloor-Bathurst Business Men's Association, A. J. Mockford, Association Controller, Russell Nesbitt, Ald. S. B. Hume, and J. F. Mellor.

The chairman briefly outlined the excellent progress made by the association since its formation eighteen months ago. He pointed out that the officials were working strenuously to improve the streets of the community, and were active in securing better street lighting from Lansdowne avenue to Avenue road, and endeavoring to have the Bloor-Bathurst street improved.

Mr. Standfield touched upon the proposed city council to request that lighting be established in Willowdale park, which was stated as receiving opposition from many residents.

Ald. Hucker congratulated the association on its splendid activity and rapidly growing membership. He said Bloor street was a dark and dismal business thoroughfare, and urged that a deputation of the association wait upon the city council to request that lighting similar to Danforth Avenue be installed on Bloor street.

Controlled Russell Nesbitt, who was well received, urged the members to consider the lighting of Bloor street as a comparatively small cost.

"The expenditures must be paid as much as possible," declared the controller, "to keep down the tax rate."

In connection with the proposed Willowdale park stadium, the speaker said that to his knowledge no private owner of land in the Willowdale park area had been approached to build a stadium in the north by the park department.

Members of a delegation from Grace street and Lansdowne avenue, and the Bloor-Bathurst Business Men's Association, Mr. McDonald and Mr. McNeil, entered an emphatic protest against the erection of the proposed stadium on Bloor street, and appealed for the support of the business men.

It was discussed the matter at next meeting, and to appear before the city council in a body regarding the better lighting of Bloor street.

J. C. Mockford, in a brief address, outlined the business men's plan for the improvement of Danforth Avenue, and the decision of the managers to form a building to take place at the office of the Home Bank corner of Main and Danforth streets, tomorrow afternoon.

President Wallace briefly outlined the activity of the merchants in the Bloor-Bathurst district.
