

X. OCTOBER.

And find a fane in every sacred grove;
There let the shepherd's flute, the virgin's lay,
The prompting seraph, and the poet's lyre,
Still sing the G D OF SEASONS, as they roll.
For me, when I forget the darling theme,
Whether the blossom blows, the summer ray
Russets the plain, *inspiring* Autumn gleams;
Or Winter rises in the blackening east,
Be my tongue mute, may Fancy paint no more,
And, dead to joy, forget my heart to beat!
