	200	261	461

The Malden Branch was, by order of Government, made independent on 24th September last, having seven counties assigned to it.

The Orillia Branch was opened on 3rd August, and has received 44 patients from the Chief Asylum.

The last transfer of patients to the Malden Branch, amounting to 23, was made in July.

Transfers to the University Branch are made from time to time as vacancies occur.

The total number of admissions into the Chief Asylum, since its first opening in January, 1841, has been 2,633.
