A SUGAR CASE

Too Heavy Stock and Overcharging, Says Board of Commerce Opinion.

(Canadian Press.)
Ottawa, June 22.—The board of commerce will soon submit to the attorney-general of Ontario its opinion that the firm of H. B. Eckhart and Co., of Toronto, are guilty of an offence under section 17, of the combined and fair prices act by keeping in stock an unreasonable amount of granulated and yellow sugar beyond which is reasonable for the purpose of business and also in selling the sugar at gross profits of approximately 18 per cent. in the case of granulated sugar and 23 per cent. in the case of yellow sugar. The board has already recorded its opinion that an average of 5 per cent. over the producer's prices is all the profit that should be taken on sugar sales.

Constipation or Costiveness

Constipation, although generally described as a disease, can never exist unless some of the organs are deranged, which is generally found to be the liver. There is nothing more productive of general ill health than constipation of the bowels, and a regular action is absolutely essential to general health. One of the most common, painful and troublesome troubles caused by constipation is piles, and unless the bowels are kept open by the use of a good laxative such as Milburn's Laxa-Liver Pills the whole system will be poisoned and many different complications of diseases arise, so if you would be well, keep your bowels regular.

Mr. A. Roder, Hastings St. E., Vancouver, B. C., writes:—"I desire to express my thanks for what Milburn's Laxa-Liver Pills have done for me. I had been suffering from constipation for two years, and also had a bad cough and headache. I tried all sorts of cures and remedies, but got no relief until I was advised to try your pills. I got great relief after the first few doses."

Get Milburn's Laxa-Liver Pills when you ask for them or send 25c and they will be sent by return of mail by The T. Milburn Co., Limited, Toronto, Ont.
