dence:—

1. Reductions in the prices of goods by retailers have stimulated purchasing
2. Wages still have a purchasing power as great as during the war.
3. The ultimate customer is purchasing almost as freely as under normal conditions.

conditions.

4. Stocks are being steadily reduced.

5. The immediate situat on is due in great measure to dumping on the market, particularly in the United States, of accumulated stocks of goods which after all represent only a small percentage of current requirements for consumption.

sumption.

6. As soon as these surplus stocks have been absorbed, production must be continued on a basis which will give reasonable returns to producers.

7. It must soon be necessary to place orders for spring business in cases where these have been withheld until more settled conditions were established.

8. Costs of manufacture will be reduced to some extent by cheaper raw materials.

9. Reduction in the cost of production will enable manufacturers to reduce prices.

10. There is no weakness in the financial situation.

11. When the strain of crop moving has been lessened the banks will be able to maintain credits, and extend even greater consideration to customers.

12. The reserve putchasing power of the Canadian people is very great.

13. Bank savings deposits exceed \$1,-250.000.000. almost double the amount of such deposits six years ago.

14. Hundreds of millions of Victory Bonds are held in the dominion, interest on which is paid to Canadians and the money turned into productive business (channels.

15. The interest upon a considerable volume of Canadian securities purchased by Canadians during the war is now also

vation Army for distribution among the poor of the city. It was also announced during the evening that a friend, who wishes to be known as X Y Z, had generously donated a check for \$50 to the Victrola fund of the club.

profits on such investments is invested in this country.

19. Exchange gives Canadian manufacturers an advantage in export markets over the United States, and in comparison with pre-war figures Canadian export trade has been well sustained.

2. Canadian are heavier bondholders than ever before, and these bonds represent additional reserves of capital.

21. During the last nine months 100,000 emigrants have entered the country. Many of these have capital and at once become consumers of Canadian manufactures and farm products.

22. It is stated that 10,000 British tenant farmers may come to Ontario in the spring.

23. The Western Colonization Associ-

taken from the outside of Humphreys' The Y. W. C. A. Residence Club held their last entertainment for the fall term with a Christmas tea at their rooms, 23 King street, last evening. Besides the tea, there was a large Christmas tree holding small gifts, none of which were

holding small gifts, none of which were to cost more than a specified small sum, and these were opened by the girls amid much laughter. The girls also filled two dozen stockings with candy and nuts and they intend to donate these to the Sal-

# 15 Crated Pianos at **Factory Cost**

These Hartmann pianos came direct from the factory, an over-due order too late for Christmas delivery in the regular way at reg-ular prices.

They have never been out of their crates except for examina-

They are offered at factory invoice prices plus freight and the cost of handling which is trivial.

They will be sent to any address for inspection. A rare opportunity to buy a piano on the same basis as the retailer.
