INSTANT COOKING DEMONSTRATION DRAWS LARGE NUMBERS TO THORNE'S SHOWROOMS

CONTINUES ALL DAY TODAY

Convenience and Economy of
Stern Canned Heat and Handy
Cooking and Heating Devices
Prove Big Revelation to De-
lighted Visitors.

That an entire meal could be cooked
so quickly, with so little effort, and at
such trifling cost for fuel, is but one of
the genuine revelations that delighted
the many who attended the Instant
Cooking Demonstration with Stern Can-
ned Heat which started yesterday at the
stores of W. H. Thorne & Co. Limited,
where they are being continued all day
today when the attendance will probably
be even greater than yesterday.

This new aid to culinary science and
household economy is among the most
interesting devices demonstrated here in
many years and today's demonstration
should draw hundreds of housewives,
housekeepers and nurses to the show-
rooms of W. H. Thorne & Co. Limited.
