IS HONORED ON 83RD BIRTHDAY

Mrs. Margaret Wade Central Figure in Happy Family Gathering.

Mrs. Margaret Wade, in recognition of her 83rd birthday, received many congratulations and well wishes from her children, grandchildren and great-grandchildren, and other relatives, who assembled at the home of her daughter, Mrs. G. C. Laurence, Manawagonish road, on Monday afternoon and evening. Mrs. Wade was remembered with a sum of money in gold from her son, John Wade, and others presented beautiful flowers and other remembrances.

The tea table was very attractive with spring flowers, yellow and white daffodils. The centre of attraction was a nicely iced birthday cake, with 83 tiny yellow and white candles.

Mrs. Wade received her guests very graciously and responded feelingly to the tributes of affection which were bestowed upon her. Auld Lang Syne ended the happy occasion.

Mrs. Margaret Wade was 83 years of age yesterday. She was born on March 3, 1841, daughter of Scottish parents, Captain and Mrs. Edward Smith, and her mother was Miss Margaret McArthur, and came to St. John on the same ship as did Mr. Smith. They were married and settled at Kouchibouguac, County, New Brunswick. Mr. Smith brought a large tract of timber land and engaged in lumbering. His house and property were destroyed by fire, and the family came to St. John, and in partnership with E. L. Jewett Mr. Smith operated a lumbering mill at Grand Bay until the time of his death.

Mrs. Wade vividly recalls the scenes of her childhood. She describes the old barracks, situated where the Exhibition Building now stands, and where the 60th Scottish regiment was stationed. The barracks was burned during the St. John fire in 1877. She also recalls the arrival of the large English transport ship which was to convey troops to Russia. The ship cast anchor between Reed's Point and Sand Point. She distinctly remembers the day when the Scottish soldiers marched the wharf and were taken on lighters to the transport, as the large steamer could not get close to the wharf.

On August 25, 1866, Miss Smith was united in marriage to Weston Wade, a sea captain, by Rev. Dr. Hains in a Presbyterian minister, who officiated in the "Kirk," now the First Presbyterian church in West St. John. They resided for a time in Carleton place and spent eight years in Ontario—four at Port Hope on Lake Ontario and four at Port Dover on Lake Erie. She spent one year on a shipboard with her husband and little son, then one year old, and visited Haiti in the West Indies, Gibraltar, Messina in Italy, the Philippines, and many other places of interest.

Tragedy in Her Life. On their return they settled at Grand Bay, and in the year 1876 Capt. Wade sailed on his last voyage on a three-masted vessel named the "Moss Glen" to the West Indies. On a dark night, April 22, 1877, as Mr. Wade and the first mate were taking some mail from the vessel to the mail packet, a white squall, common to those seas, struck their boat and it was capsized. The mate clung to an oar and was saved, but Captain Wade was never seen again. The mate communicated the sad news to Mrs. Wade at her home at Grand Bay.

Two children are buried in Ontario, two in Greenwood cemetery. Two are living, John Wade of West St. John and Mrs. G. C. Laurence of Manawagonish road, with whom Mrs. Wade resides. She has four grandchildren and four great-grandchildren. Mrs. Agnes Anderson of the West Side is a sister.

Mrs. Wade enjoys fairly good health and is bright and cheerful, is an interesting conversationalist and can give many reminiscences of early days in St. John and vicinity. She is an earnest Christian, and is a member of St. Columba Presbyterian church, Fairville.

GIRL MAKES SAD SIGHT IN COURT Only 18 Years Old; Taken in on a Charge of Drunkenness. An eighteen-year-old girl, claiming to be part French and part Indian, stood before Magistrate Henderson in the police court this morning charged with drunkenness. She was arrested after midnight last night in Sheriff street by Sergeant Sullivan and Policeman Macaulay of the North End division. The girl, tall, slim and rather attractive looking, presented a sad sight as she told the magistrate that she had been drinking but was not drunk. The court questioned the girl closely and she said that she came from Fredericton. Policeman Macaulay said that the girl was under the influence of liquor and had a none too good reputation. "Well there is only one end," commented the magistrate, "and that is a bad one for a girl like you. It is indeed sad to see you picked up under such circumstances." The girl was remanded to jail pending further investigation.

DEATH CLAIMS HEROIC YOUTH

Harry Finley, Who Won City's Life-Saving Medal, is Dead. Many in St. John will bear with regret of the death of Harry Finley, who in July, 1918, rescued Arthur Reicker from drowning in the Marsh Creek and was honored by the city in the presentation of a life saving medal.

The young man, who was 21 years of age last December, had been ill for more than two years, but his death came unexpectedly. He was about his home yesterday and retired for the night as usual. This morning about 6 o'clock, however, he was stricken with hemorrhage and passed away soon afterwards.

Harry was a son of Charles Finley, pressman with the Telegraph-Journal, and of Mrs. Elizabeth Finley. He is survived by six sisters, Margaret, Hazel, Annie, Edith, Greta and Louise, and one brother, Ralph, all at home. The funeral will take place at 2:30 o'clock on Thursday afternoon. The deed for which the young man received the St. John city life saving medal was performed on July 30, 1918. Arthur Reicker was bathing in the Marsh Creek and got beyond his depth. Young Finley plunged into the creek and after a stiff battle brought the struggling lad to shore. On New Year's Day, 1922, the life saving medal, accompanied by an address was presented by Mayor Schofield to the young hero and he was the centre of congratulation from the many friends of himself and his relatives. The deep sympathy of the community will be extended to the bereaved family in their affliction.

K. C.'S WELCOME 35 NEW KNIGHTS

Third Degree is Exemplified—Luncheon at Royal; Smoker Tonight. Several hundred members of the Knights of Columbus assembled in the spacious council chamber of St. John Council last night for the exemplification of the third degree of the order. A class of some 35 was presented for advancement from the second to the third degree. The exemplification was in the capable hands of State Deputy James H. Carroll of Lewiston, Maine, who was assisted in masterly manner by his team, made up of Patrick J. Joyce, Thomas Lively and Stephen Hansen of Portland, Me., and Dr. James W. Jantzen of Lewiston. Also taking prominent part were Past State Deputy Dr. W. P. Broderick, District Deputy E. J. Henneberry, and Grand Knight James L. Suggs of St. John Council. State Deputy W. E. Farrell of Fredericton came to the city for the ceremonial. Those in charge of the work were warmly congratulated on the excellence of the exemplification.

Today at noon the visitors were the guests of the St. John Council at luncheon in the Royal Hotel. More than 100 were present and listened to some excellent addresses incidental to the carrying out of a short toast list. J. L. Suggs, grand knight of the local council, was in the chair and extended a hearty welcome to the visiting knights. At the conclusion of the luncheon, the toast to the King was responded to with musical honors. That to the Church was proposed by Chancellor R. B. McDade, and the chaplain, Rev. Raymond McCarthy, and Rev. F. P. Walker, replied. District Deputy E. J. Henneberry proposed the toast to Our Order, and Past State Deputy W. P. Broderick was heard in response. The deputy proposed the toast to Our Visitors, and eloquent speeches were heard in reply from State Deputy Jas. H. Carroll of Lewiston, Me., Patrick J. Joyce, Thomas Lively and Stephen Hansen of Portland, and Dr. James W. Jantzen of Lewiston. Each expressed appreciation of the hospitality of the St. John members of the order and their pleasure in participating in the work here to date.

It was announced that a smoker, at which the new members would be welcomed, would be held in the K. of C. home in Coburg street this evening.

As Hiram Sees It

"Hiram," said The Times reporter to Mr. Hiram Hornbeam, "we sometimes rail at the church and the pulpit, but I wonder if we take the trouble to try to measure accurately what the influence of the church and Sunday school have on most of the boys and girls who attend." "Most folks don't," said Hiram. "They think they've sort of grown out of it themselves—but it's a matter of fact they haint. Without knowin' it they measure up what's wrong by what they learnt from the Good Book when they was young. An' lots o' times a verse or a line they hadn't thought of fer years'll come back to set 'em right when they need it. If we're mean or foolish or bad we never learnt it in Sunday school—no, sir. S'posed every Sunday school in New Canada was closed an' kept closed—what 'ud the next generation be like? The further we get away from the teachin' o' the Good Book the more we make fer ourselves an' them that's round us—'ere, sir."

Sport Coats FOR EARLY SPRING

Sport styles lead the way this season in the coat field. One big new feature is a tendency towards a new flare,—though there is strong rivalry for first place between this new flare and the straight and narrow lines. Coats are plain or plaided, or a combination plaid with plain decorations. A distinct smartness is added to these sport coats by means of novelty collars—And best of all, these coats are unusually moderately priced.
