negro population of Birmingham is 'n mourning, and gloom has been cast over the entire city as the people be-gin to realize the immensity of Friday night's disaster at Shiloh Baptist Church. Saturday the number of dead had reached 110, and 90 of these have been identified. Booker T. Washington has received the follow-ing telegram from President Roose-velt: "I am shocked and horrified by the disaster at Birmingham, and desire to express my great grief at the sad loss of life." London, Sept. 22. — Hon. W. S. Fielding, Canadian Minister of Fi-nance, in an interview published in 'The Daily News, Saturday, ridiculed the idea that Canada was seeking to bring about anything approaching to what is generally called a shipping combine. All that it was sought to do was to improve the existing ser-vice, and the Dominion Government was prepared to set apart a conside-able sum to that end every year. The Imperial Government. Mr. Fielding believed, was willing to Leep the scheme to a limited extent. Mr. Fielding claimed that Canadiag and British business men would de-sert the New York route if the Can-dian fast line was established. Canada's prosperity, Mr. Fielding for the remarked, when trade mat-ters were touched upon, is met likely the fiel indeced hy interest to conter-to express the opinion that at an fast line was established. Canada's prosperity, Mr. Fielding for the remarked, when trade mat-ters were touched upon, is met likely

> > turning from Indian Reservation to Calgary-Harry Phillips Killed -Fell Into the Thresher-Mrs. Jackson Run Over and Killed.

Lindsay, Ont., Sept. 22 .- Two men weve killed and three injured as a result of a wreck on the G. T. R. at an early hour yesterday morning. En gineer Swanton and Fireman Faulk-ner were instantly killed. The three

injured men are not badly hurt. injured men are not badly hurt. The disaster was of a peculiar character. A long freight train was climbing the grade between Midland and Cambray, when it broke in two. The rear of the train start?d down the grade at a terrific speed. The second section of the freight was but a short distance behind, and the col-lision was inevitable. The second section was a double header. and

lision was inevitable. The second section was a double header, and both engines were thrown into the ditch along with eight freight cars when the wreck occurred. The engineer was buried under his locomotive, while the freman kill-ed was in the way car of the string of cars that was thrown into the ditch. All those hurt were trainmen.

R. L. BORDEN HURT.

The Conservative Leader's Narrow Escan From Death on Saturday

From Death on Saturday. Calgary, N. W. T., Sept. 22.— While R. L. Borden and his party were returning Saturday from the In-dian reservation to Calgary the rig in which Mr. Borden was seated had passed over a rough and sloping piece of ground, and as the one containing Mrs. Borden and others was passing over this spot, the driver of the rig was thrown from his place and the horses at once bolted with the rig and six helpless occupants. The run-away team ran astride the rig con-taining Mr. Borden and other ladies and gentlemen, and Mr. Borden was, by the pole of the pursuing rig, thrown in such a manner that his left knee was caught between the wheel and the brake of his rig, and a furious horse was all but pinning him beneath its feet. The runaway was stopped. stopped

Struck by G.T.R. Express

struck by G.T.H. Express. Toronto, Sept. 22.—The body of Harry Phillips, 25 years old, a lab-orer, was found on Saturday mora-ing on the G.T.R. tracks, west of the Markham road bridge. Both legs were broken, and the head badly crushed, and the indications are that he was struck by the G.T.R appress he was struck by the G.T.R. express east, leaving the city at 9 o'clock Friday night.

Fell Into the Thresher. Toronto, Sept. 22.—George Bull of Searboro Township on Saturday morning while engaged in threshing on the farm of James Wilson was crossing from one mow to another when he fell and was caught by the revolving cylinder of the thresher. The machine was stopped as soon as possible, but not before his foot was terribly lacerated by the teeth of the cylinder. He was extricated, and a physician summoned. Bull was after-

wards brought to Toronto and at the General Hospital his right foot was amputated.

Vagrant Run Over. Montreal, Sept. 22.-A woman named Frances Jackson, aged about 45, who started Saturday to walk to Halifax by the I. C. R., was run over and killed by a Grand Trunk train near St. Hyacinthe. The un-fortunate woman said she had friends in Nova Scotia, but she had been arrested here as a vagrant and liber-ated on condition she would leave town. town.

Everything that is new and stylish is right here in in Wilkes-Barre held a secret meeting at Kingston yesterday. The object stock. Fashionable Tweeds and Worsteds right up-to-date, was to take some action on the question of Brotherhood men hauling question of Brotherhood men hauling coal from the mines where non-union men are employed. The only infor-mation that would be given out was that a resolution had been adopted requesting the secretary of each local division to write to Grand Mas-ter H. H. Morrissey, requesting him to come here at once. Pantings, Beautiful Overcoatinfis.giving you by far the largest selection in the town or the county.

MINERS WILL NEVER YIELD.

Claim They Can Hold Out All Winter, If Necessary.

If Necessary. New York, Sept. 22.-President Mitchell, before a mass meeting of workingmen, declared that the an-thracite mine, workers would remain out all winter if necessary to gain their end, and were in a position to do so. "After four weary months," he said, "the miners stand as strong as when the strike began. They will never return to the mines until they are treated as American workingmen should be, and, thanks to the gener-ous assistance given to them they can and will stand out all winter, if necessary, to win this fight." To Solve the Question.

To Solve the Question. To solve the Question. Reading, Pa., Sept. 22.—Three passed through this city yesterday three trains containing a total of 150 cars of anthracite, or about 4.-500 tons. The Reading Company's officials here say they believe that the increased shipments of washery coal promised from now on will solve the question of supplying the market with fuel during the strike.
