Days Of Dizziness

COME TO MANY INGERSOLL PEOPLE.

There are days of dizziness, spells of drowsiness, headache, vertigo, backache.

Sometimes rheumatic pain after urinary trouble.

You are plainly told that the Kidneys are sick.

Booth's Kidney Pills cure all Kidney ills.

Mrs. Eliza Gregg of Canterbury street, Ingersoll, Ont., says, "Headaches, backaches, pains over the region of the kidneys and a general feeling of weakness and nervousness was cured by my using Booth's Kidney Pills for a short time. We procured this remedy at the Gayfer Drug Store, and are pleased to give some unselfish recommendation and endorsement."

My Free Trial May Cure You.

Kingston, Ont., June 6th, 1904.—Dear Mrs. Currah,—I feel so very much better after using the ten days' treatment of Orange Lily you were kind enough to send that I will not require any more. In fact I feel well, and it is now a month since I stopped using the treatment. Mrs. F. T. W.

Similar letters to the above are not infrequent, though of course such cases are not of long standing. Most women who have suffered for any length of time will require to use Orange Lily longer than the free trial treatment in order to effect a complete cure, but in every case they will be perceptibly benefited. Further, the benefit will be permanent whether they continue to use Orange Lily or not. It is not taken internally, and does not contain any alcohol or other stimulant. It is an unalloyed treatment and acts directly on the suffering organs. In all cases of women's disorders, these organs are congested to a certain extent and Orange Lily will relieve and remove this congestion just as positively and certainly as the action of ammonia or soap on soiled linen. It is a simple chemical problem and the result is always the same, a step towards better health and complete cure. In order that every suffering woman may prove its good qualities, without cost I will send enough of Orange Lily for 10 days' treatment, absolutely free to each lady who will send me her address.

Mrs. F. S. Currah, Windsor, Ont. Orange Lily is recommended and sold in Ingersoll by R. N. Thurtell, Druggist.

WANT TWEEDIE TO PAY.

Peculiar Transactions Blamed on New Brunswick Governor.

St. John, N. B., Aug. 1.—The Provincial Government has called upon Lieutenant-Governor Tweedie to pay to the Crown Lands Department the sum of \$8,110, which is claimed, is due on account of certain transactions between the Government and certain parties, chiefly lumbermen, in the early 90's, when Hon. Mr. Blair was Premier.

It appears that a sum of \$13,684.79 was carried on suspense account from 1895 until October, 1904, when Hon. Mr. Tweedie closed it out by personally handling the amount to the departmental treasurer. It is pointed out that this amount is now demanded.

The governor declares that, though he paid the original amount, he was not responsible for the transactions, and denies liability for the interest. The inference is that the money which should have been paid into the provincial treasury, was diverted from time to time to other uses by the Government, presumably political, and that had there been no special audit, the facts would not have been disclosed, as this suspense account never figured in reports submitted to the Legislature.

Lieutenant-Governor Tweedie disclaims personal responsibility for bills which he paid in 1906.

Auditor Miller discovered the suspense account and was authorized to probe the matter and communicated with the governor.

CAVE-IN AT FERNIE.

Twenty-Four Miners Are Imprisoned—Three Still Missing.

Fernie, B. C., Aug. 1.—Twenty-four miners were entombed in the Crow's Nest Pass No. 2 mine on Coal Creek at 8 o'clock yesterday morning, when a tremendous "bump" or cave-in occurred.

At 4 o'clock all but three had been rescued by a large gang of miners and others, who frantically dug through nearly 700 yards of rock and coal. It is hoped to get others out alive.

Fortunately they were able to get air passages to the mine, thus preventing asphyxiation.

Nearly all the men in danger are married and with families in the vicinity and the scene at the mine was most distressing until, one by one, the rescuers brought out a score of weakened and in some cases unconscious men.

Not Breaking Record.

Montreal, Aug. 1.—H. M. S. Prince of Wales on his return trip to England, has evidently not yet begun that last race against time which rumor has said she would attempt on the homeward voyage.

At 1 o'clock yesterday she passed Point Amour, only 62 miles from Quebec, according to the report of the Government station at that point. As the indomitable sailed from Quebec on Wednesday at 4 o'clock in the morning, this would give a speed of only between fourteen and fifteen knots an hour.

To Welcome Victors.

Hamilton, Aug. 1.—There will be big doing here on the night of Aug. 10, according to the arrangements made last night by the augmented Olympic committee for the reception of Bobby Kerr and the other Olympic contestants. It was decided to include Jack Caffery and Geo. Beatty, the Hamilton Gun Club crack, and they will arrive by boat and be conducted in procession via James and King streets to Victoria Park, where a formal reception will be held. Presentations will be made to Kerr and Caffery.

Refuse Award.

Ottawa, Aug. 1.—The Labor Department received a letter yesterday afternoon from T. J. Murray, counsel for the union of C.P.R. machinists, announcing that the men were not prepared to accept the award of the Board of Conciliation and Investigation in connection with the matters in dispute between the company and the machinists affecting both the eastern and western divisions of the road. The company has agreed, under protest, to accept the conditions of the award for both divisions.

350 HOGS DIE.

Heavy Mortality on York County Farm Arouses Suspicion.

Toronto, Aug. 1.—The attention of Dr. Warren, medical health officer of York Township, has been directed to a serious condition of affairs which prevails on "Glenary Farm," in the 2nd concession of East York, about a mile and a quarter east of Yonge street, where within the past ten days no less than 350 hogs of all ages and sizes have died.

It was first thought that the cause of the great mortality might be due to hog cholera, and as yet this view of the case is not wholly disproved, but other reasons have since been advanced, and the action of Dr. Holgett in going up is with the view of clearing these up.

Pending the report of the latter the York Township medical health officer will make no statement whatever regarding the case. As many as 2,000 hogs are sometimes kept at one time by Mr. Wilson, the owner, and the loss, whatever the cause, is a severe one. The animals are said to survive only a short time after taking sick.

WAS RIEL'S SON.

Only Survivor of Northwest Rebel's Family Dies at St. Boniface.

Winnipeg, Aug. 1.—The last of the immediate family of Louis Riel, the famous rebel leader who helped make history in 1869 and 1870 in the Canadian Northwest, died yesterday, when his only son, Jean Louis Riel, died in St. Boniface Hospital. He was born in Montana 36 years ago, during his father's residence there, following the first rebellion. He was well educated and finally took up the profession of a civil engineer. A few months ago he went to Quebec, where he married Miss Laura Carreau, a sweetheart of his youth, and the couple had just come here to take up life together.

Young Riel was working at his profession on the new line of the Grand Trunk Pacific Railroad when he was taken ill, following a severe cold.

GREENWAY FOR COMMISSION.

He Is Said to Be New Appointee to Railway Board.

Montreal, Aug. 1.—It is announced here unofficially that at the Cabinet meeting today in Ottawa Thomas Greenway, M.P., and two other gentlemen will be added to the Railway Commission.

It is also stated that Sir Wilfrid Laurier will start almost immediately upon his western trip, being accompanied by E. M. McDonald, M.P. for Lambton.

H. B. Ames, M.P., who has just arrived from Cape Breton, left yesterday for Moosejaw, where the memorial service will be held on Monday evening for the victims of the twenty-five addresses, returning to Montreal in the early days of September.

Storms In Tyrol.

Vienna, Aug. 1.—A series of terrific thunder and rainstorms have caused destruction and heavy loss in the Austrian Tyrol. The Bukovina district and the Ziller Valley suffered especially. The loss of life has been heavy.

Corpses are floating down the swollen streams and houses and structures have been washed away. The death toll in the Bukovina is said to be 50, while in the Ziller Valley 20 persons have lost their lives.

The village of Mehrn, near Brixlegg, has been overwhelmed by a landslide and 16 persons are reported killed.

Big Freighter In Port.

Port Arthur, Aug. 1.—The steamer Meacham arrived in Port William on Thursday night under her own steam. She was liberated Thursday by the Canadian Towing & Wrecking Co. A thousand tons of coal were taken off and she floated. The fore peak and No. 1 tank are punctured, but the bottom is not much damaged and of No. 1 tank. There was fortunately no wind, as she was exposed to the sweep of the lake.

An insane convict taken from Kingston to Montreal to be deported back to his home, struck a little girl on the head, injuring her.

ENGLAND TRIUMPHS

Her Oarsmen Take Everything in Regatta at Henley.

LEANDER BEATS BELGIANS

After Record Run Eight Crew Vindicates English Stroke and Wins Easily—Magdalen Wins Four-Oar Event—Leander Pair-Oar Race—Blackstaffe Is Champion—Canadian Showing Good.

Henley, Aug. 1.—The international Olympic regatta came to an end with a sweeping victory for the United Kingdom oarsmen, who have defeated all the continental rowers who participated in the races.

The great event of the meeting was the championship eight in which, after winning several heats, the Belgian crew went down in defeat in the final before the Leander crew. The Leanders won with comparative ease by two lengths and a half over a course one mile and a half long. Time, 7 minutes 22 seconds.

The outcome of the contest was a great surprise, as yesterday morning any of the experts had practically conceded the race to the Club Nautique de Grand. It was a battle of styles, the orthodox long stroke, well driven home, of the British oarsmen against the short, light and fast stroke without any swing, which twice has carried the Belgians to victory in the grand challenge at Henley.

Had the Leander crew been defeated, British oarsmen were prepared to haul down their flag and take lessons in rowing from their foreign competitors, but yesterday's victory leaves all Englishmen convinced that the old style of rowing is the best.

The Leander crew led all the way. They were a length and half in front at the half way, and continued gradually to widen the gap. The magnificent spurt of the Belgians toward the finish resulted only in a momentary gain of a few feet. The home crew went away again and finished easy victors.

The Argo eight gave Leander a harder race than the Belgians did. The Argo was second best eight here. Leander won in record time.

Magdalen won the four-oared race. After a very hard race it looks as though the Argo are the second best crew here.

In the final of the championship singles yesterday, H. T. Blackstaffe beat McCullough, one and a quarter lengths in 9 mins. 20 secs.

The Leander pair-oared crew easily defeated the Jesus College pair in the Olympic finals.

Swift Justice, This.

Tilbury, Aug. 1.—The summary justice meted out to a lad, Charles Bougham of Alisa Craig, charged with the theft of a bicycle, is likely to cause trouble.

Constable Smith received word from William Kennedy, hardware merchant of Alisa Craig Thursday night, that Bougham had stolen a bicycle from him. Yesterday morning the lad arrived here and sold the wheel for 8s. He was arrested by Constable Smith, who was asked to hold the prisoner until the arrival of Chief of Police Priestley of Alisa Craig. When the latter arrived yesterday he found that Judge Colwell had sentenced the prisoner to two months in Chatham jail.

Priestley is very indignant and claims that the judge had no jurisdiction, and that the Middlesex authorities will lodge a protest.

Disappointment Proves Fatal.

Hamilton, Aug. 1.—A Detroit despatch says: "Disappointed in her wedding plans, Mabel Pierson, aged 19, whose mother resides at Hamilton, Ont., suddenly last her reason at Belle Isle Park last Thursday and was taken to St. Mary's Hospital, where she died yesterday morning from heart failure. The girl was to have been married to a young Lansing man last week."

Hydro-Electric Tenders.

Toronto, Aug. 1.—A meeting of the Ontario Hydro-Electric Commission was held yesterday afternoon at the offices, city street. Hon. Adam Beck, chairman, presided. The transmission line tenders were understood to be under consideration, but action was deferred until the meeting to be held next Tuesday afternoon.

Explosion Wrecks Town.

Hamilton, W. Va., Aug. 1.—At the mining town of Stafford, Raleigh County, Thursday night, 100 kegs of powder in a powder house exploded. Nearly every building in the town was completely wrecked and several people seriously hurt. The damage aggregates \$200,000.

Gas Pipe Thugs Hanged.

San Quentin Prison, Aug. 1.—John Seimsen and Louis Dabner, known as the "gas-pipe thugs," who committed a series of daring crimes in San Francisco following the earthquake and fire in 1906, were executed here in the penitentiary yesterday morning.

Five Years For Burglary.

Toronto, Aug. 1.—Pleading guilty to four charges of housebreaking and one of carrying a loaded gun, Henry Williams, alias Arthur Cavanagh, was yesterday sentenced to five years in the penitentiary by Magistrate Kingsford. He took it with a smile.

Celebration Nearly Over.

Quebec, Aug. 1.—And now vanishes the glorious tercentenary celebration. Decorations are gone and the final extra performance of the pageants to-day will remove the last vestige of the celebrations.

Drowned While Swimming.

St. John, N. B., Aug. 1.—Benjamin Smith, aged 18, son of Milledge Smith of Arthurette was drowned while swimming near his home. He walked into a deep hole.
