CLOSING COTTON LETTER.

By direct private wires to J. C. Mackintosh and Co., St. John, N. B.

New York, July 20.—The local market opened steady at declines ranging from 5 to 9 points response to weaker cables and general weakness. There were, however, no fresh bearish factors, the needed rains in the southwest being offset by the continuance of excessive precipitation in the eastern belt. Offers were limited largely to professional traders and scattered small lots, leading to a steady but not very active market. The weather remains the chief factor in the cotton market, and predictions of immediate price movements would be mere guesswork. If the coming week brings a favorable change of weather conditions it would not be surprising to see a fresh spurt of general buying and consequently higher prices.

CLOSING STOCK LETTER.

By direct private wires to J. C. Mackintosh and Co., St. John, N. B.

New York, July 20.—The volume of transactions today dwindled to midsummer semibullish proportions and prices showed a steady but not very active market. The weather remains the chief factor in the cotton market, and predictions of immediate price movements would be mere guesswork. If the coming week brings a favorable change of weather conditions it would not be surprising to see a fresh spurt of general buying and consequently higher prices.

LONGBOAT WINS FROM CAMERON

Special to The Standard.

New Glasgow, July 21.—Before 1,200 spectators Tom Longboat defeated Fred Cameron at New Glasgow yesterday afternoon, in a 10 mile race by about three yards. The time was 56 minutes 17 seconds. At no period of the race were the runners separated by more than ten yards and for a long time they ran abreast. Fifty yards from the finish the pair were together, but the Indian gradually drew away and breasted the tape three yards in the lead. It was a gruelling contest, but Longboat could have made the time faster had he wished. He was Longboat's first appearance here, and many came from all parts of the county to see him. The time is 3 minutes and 18 seconds slower than that made on Thursday at Windsor.
