

# FIRST BOAT OF SEASON HAS WOUNDED ON BOARD

### The Allan Liner Corsican, which Will Dock Before Noon, Has 205 Military People on Board—Most of the Number are Returning From the Front Having Done Their Bit for the Empire.

The Allan liner Corsican was expected to arrive at the island at 2 o'clock this morning and will probably dock before noon. The Corsican which is the first sailing of the winter schedule to this port left for St. John on the 17th. Besides her general freight she has on board in all 205 military people who have done their bit at the front. The list includes representatives of every province in the Dominion and of nearly every Canadian unit at the front. Of the party of which Major C. Adams is in charge 23 will receive their discharge at this depot. Their homes are in the Maritime Provinces.

Until the men are landed it is impossible to ascertain their addresses, but the number of the battalion will give anxious friends sufficient knowledge as to identity.

The party includes 25 officers, 3 nursing sisters, 176 rank and file, and one medical. They will be assigned as follows: Military District No. 1, 18; M. D. No. 2, 44; M. D. No. 3, 13; M. D. No. 4, 11; M. D. No. 5, 7; M. D. No. 6, 23; M. D. No. 10, 12; M. D. No. 11, 16; M. D. No. 12, 8; M. D. No. 13, 17. The following is a class list of the discharge classes: 63 class No. 1; 91 class No. 2, and 11 class No. 3. The men leaving for the upper and western provinces will leave by a special train for Lewis, arranged for by Captain Bruce of the discharge depot here.

In the party are several members of the Nova Scotia battalions, of the 17th and the 40th. These men will probably be detained here a day or two before they are discharged. Although it was only a few months ago that the 69th battalion left St. John for the front, yet they have already been engaged with the enemy and three of their number are returning wounded.

Captain Bruce and Chas. Robinson have been busy for the past week fixing up the new discharge depot for the arrival of the wounded. Everything is now in readiness and the men will find comfortable quarters in the new building.
