#### **Victims Can Cure Themselves** Pink Pills.

With the coming of March people ho are afflicted with rheumatism begin With the coming of March people who are afflicted with rheumatism begin to have unpleasant reminders of their trouble. The weather is changeable—balmy and springlike one day, raw, cold and piercing the next. It is such sudden changes of weather that sets the pangs and tortures of rheumatism, lumbago and sciatica going. But it must be borne in mind that although weather conditions start the pains, the trouble is deeply rooted in the blood, and can only be cured through the blood. All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain, while you All the lotions and liniments in the world can't cure rheumatism. Rubbing may seem to ease the pain while you are rubbing, but there its value ends. Only through the blood can you cure rheumatinm. That's why Dr. Williams' Pink Pills have so many thousands of cures of this trcuble to their credit. The new, rich blood which they actually make drives out the poisonous acid and rheamatism is vanquished. Among many sufferers from rheumatism who have been cured by this medicine is Mr. C. H. McGee, freight shed foreman for the G.T.R. at Peterboro, who says:

—"In the course of my work I am naturally exposed to all kinds of weather with the result that about two years ago I contracted rheumatism which settled in my legs. At times I could scarcely walk, and often had to quit my day's work owing to the stiffness and the pain. I tried different remedies without getting any help until I began the use of Dr. Williams' Pink Pills. I used six boxes of these and can say that I am about as well as ever I was. I still take the pills occasionally, and I hope that my experience may be of benefit to some other rheumatic sufferer."

If you suffer from rheumatism, or any other disease of the blood, begin to cure yourself to-day with Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
