Miss F.F. Haultain,  
857, Tupper Street.

My dear Aunt Effie:-

In answer to your letter of September 27th about  
Miss Emmett of Sorel, I am afraid that there are no positions  
vacant in the office here and the only other place I can  
suggest is the Rodpath Library. Perhaps Helen who is in the  
Library would know if there are any "jobs" there.

Yours affectionately,

Wilfrid.
