EVEN BEFORE GRADUATION, YOU COULD BEGIN USING THE AMERICAN EXPRESS® CARD

If you're graduating this year and you've accepted career-oriented employment at an annual salary of \$10,000 or more and have a clean credit record, you can get the American Express Card.

That's it. No strings. No gimmicks. (And even if you don't have a job right now, don't worry. This offer is still good up to 12 months after you graduate.)

Why is American Express making it easier for you to get the Card right now? Well, simply stated, we recognize your achievement and we

believe in your future. And as you go up the ladder, we can help—in a lot of ways. The Card can help you begin to establish a credit reference. And, for business, the Card is invaluable for travel and restaurants. As well as shopping for yourself.

Of course, the American Express Card is recognized around the world. So you are too.

So call 1-800-387-9666 and ask to have a Special Student Application sent to you. Or look for one on campus. **The American Express Card. Don't leave school without it!™**

Hear ye, hear ye, read all about it. If you are a student, you can forget about infesting the Faculty Club. But you can subvert the establishment through covert methods. Why not become a waiter or get your degree in mixology? For more information on this bracing topic, see Editorial on page 6.
