

## CONVINCING TESTIMONY

---

The following is a partial list of the people who have answered our advertisements and requested us by mail to send them our "1900 Junior" Washer on trial. These people, after testing our washer, write in the highest terms of their satisfaction with the machine.

It would be simply duplicating these letters to print all of them, so we publish but a few of them, and give the names and addresses of others. What our machine has done and is doing for others, it will do for you.

DUNNVILLE, ONT. April 1st.

THE BACH SPECIALITY CO.,

Gentlemen,--Please find enclosed \$14.00 for Washer. It would be impossible to tell you how pleased I am with the washer. I never could have believed such a satisfactory machine existed. I am more pleased every time I use it, and am continually telling my friends about its worth. They say, "why I thought no washing machine would suit you." But this washer would suit anyone. I was telling a friend to-day as she was watching it being worked, that if I were to live 20 years I would hate to part with it for its weight in gold. Washing is only a pleasure and the clothes look so beautifully white. I feel very grateful to someone---I scarcely know who--possibly the inventor and you for offering it on a month's trial, for I suppose I would not have bought one unless I could have tried it or had a recommend from someone I know.

Thanking you very much for your trial offer.

I am, Yours truly,

MRS. JOHN A. COOKE.
