## BOILERS & RADIATORS.

Numbers in use in Quebec and vicinity in Churches, Convents, Hospitals, Public Buildings and Private Residences.

THEY GIVE "MORE HEAT" WITH "LESS FUEL" THAN ANY OTHERS

We also manufacture a complete line of steel ranges, one, two, three or any number of ovens, to burn coal, wood or gas.— Carving tables, and steam cookers. We make a speciality of complete kitchen outfits for Convents, Hospitals and Hotels.
