

VALEDICTORY.

With this issue, the publication of Chappelle's P. E. Island Almanac ceases. To those who have by their advertising patronage assisted us in the work for the past fifteen years, we would tender our most sincere thanks. We have discovered that our anatomy is not that of a philanthropist—especially when it bears too heavily upon our purse and time—and as this periodical has been published at a monetary loss, we cheerfully, yet with some reluctance, say adieu!

THEO. L. CHAPPELLE.
